AND THE PUBLIC PROSECUTORS LISTED ON THE DISTRIBUTION LIST ACCOMPANYING THE ATTACHED CERTIFICATE OF SERVICE

Re: Violations of Proposition 65 concerning **(1) painted small (7/8" x 7/8") metal binder clips; (2) plastic coated paper clips**

Dear Mr. Shen, Ms. Shen, and to whom else this may concern:

Consumer Advocacy Group, Inc. ("CAG"), the noticing entity, located at **9903 Santa Monica Boulevard #225, Beverly Hills, California 90212,** serves this Notice of Violation ("Notice") upon Flomo Group Company, Flomo Plastics Industrial Co., Ltd., Nygala Corp., Shenny California, Inc., Shenny Enterprises, Inc., and Wendy Shen (hereinafter collectively referred to as "Violators") pursuant to and in compliance with Proposition 65. Violators may contact CAG concerning this Notice through its designated person within the entity, its attorney, Reuben Yeroushalmi, 9100 Wilshire Boulevard, Suite 610E, Beverly Hills, CA 90212, telephone no. (310) 623-1926, facsimile no. (310) 623-1930. This Notice satisfies a prerequisite for CAG to commence an action against Violators in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. CAG is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for

each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

- CAG is a registered corporation based in California. By sending this Notice, CAG is acting "in the public interest" pursuant to Proposition 65. CAG is an entity dedicated to protecting the environment, improving human health, and supporting environmentally sound practices.

- This Notice concerns violations of the warning prong of Proposition 65, which states that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . ." *Cal. Health & Safety Code* § 25249.6.

- **Painted small (7/8" x 7/8") metal binder clips ("Binder Clips")** contain **lead**, which is known to the State of California to cause both cancer and reproductive toxicity, developmental, female, male. On February 27, 1987, the Governor of California added **lead** to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added **lead and lead compounds** to the list of chemicals known to the State to cause cancer. Both additions took place more than twenty (20) months before CAG served this Notice.
    - An exemplar of the violations caused by **Binder Clips** includes but is not limited to:
        1. **Flomo® Unlimited Stationery Set, Item No. RL-MG592.**

- **Plastic coated paper clips** ("**Paper Clips**") contain **lead**, which is known to the State of California to cause both cancer and reproductive toxicity, developmental, female, male. On February 27, 1987, the Governor of California added **lead** to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added **lead and lead compounds** to the list of chemicals known to the State to cause cancer. Both additions took place more than twenty (20) months before CAG served this Notice.
    - Exemplars of the violations caused by **Paper Clips** includes but is not limited to:
        1. **Flomo® 100 Color Clips, 50mm, MG933 and**
        2. **Flomo® Stationery Set, Item No. RL-MG591**

- This Notice addresses consumer products exposures. A "[c]onsumer products exposure' is an exposure which results from a person's acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service." *Cal. Code Regs.* 27 § 25602(b).

Violators caused consumer product exposures in violation of Proposition 65 by producing or making **Binder Clips** and **Paper Clips** available for distribution or sale in California to consumers. The packaging for **Binder Clips** and **Paper Clips** (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contains no Proposition 65-complaint warning. Nor did Violators, with regard to **Binder Clips** and **Paper Clips**, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violators, with regard to **Binder Clips** and **Paper Clips**, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, or a combination thereof. **Binder Clips** and **Paper Clips** are designed for use within the home environment, and are suitable for various home, school, business, and office applications.

The principal routes of exposure were through dermal contact, ingestion, and inhalation. Persons sustain exposures by handling **Binder Clips and Paper Clips** without wearing gloves or by touching bare

skin or mucous membranes with gloves after handling **Binder Clips and Paper Clips**, as well as hand to mouth contact, hand to mucous membrane, or breathing in particulate matter emanating from **Binder Clips and Paper Clips**. Given that **Binder Clips and Paper Clips** have coating in various colors, such as pink, red, black, green, and yellow, small children would be attracted to **Binder Clips and Paper Clips** regarding **Binder Clips and Paper Clips** as toys; small children would put **Binder Clips and Paper Clips** in their mouths, or put their bare skin, which has been exposed to **Binder Clips and Paper Clips**, in their mouths.

These violations occurred each day between August 1, 2008, and August 1, 2011, and are ever continuing thereafter.

Proposition 65 requires that notice of intent to sue be given to the violators(s) sixty (60) days before the suit is filed. *Cal. Health & Safety Code* § 25249.7(d)(1). With this letter, CAG gives notice of the alleged violations to Violators and the appropriate governmental authorities. In absence of any action by the appropriate governmental authorities within sixty (60) calendar days of the sending of this notice (plus five (5) calendar days because the place of address is within the State of California), CAG may file suit. *See Cal. Health & Safety Code* § 25249.7(d)(1); *Cal. Code Regs.* 27 § 25903(d)(1); and *Cal. Code Civ. Proc.* § 1013.

CAG remains open to discussing the possibility of resolving its grievances short of formal litigation.

CERTIFICATE OF MERIT

Health and Safety Code Section 25249.7(d)

I, Reuben Yeroushalmi, hereby declare:

1. This Certificate of Merit accompanies the attached sixty-day notice(s) in which it is alleged the party(s) identified in the notice(s) has violated Health and Safety Code section 25249.6 by failing to provide clear and reasonable warnings.

2. I am the attorney for the noticing party.

3. I have consulted with at least one person with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the action.

4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiffs' case can be established and the information did not prove that the alleged violators will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code section 25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

Dated: August 3, 2011
