Re: The Attorney General's Proposed Amendments to Title 11, Division 4, of the California Code of Regulations concerning Proposition 65 enforcement actions brought by private parties

Dear Ms. Gerken:

Environmental Research Center, Inc. (ERC) is a non-profit corporation, organized under California's Non-Profit Public Benefit Corporation Law, whose mission is to safeguard the public from health hazards that impact families, workers, and the environment. ERC is dedicated to reducing the use and misuse of hazardous and toxic substances, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC is a private enforcer of Proposition 65 with a number of active Proposition 65 cases. ERC will thus be affected by the proposed changes to the regulations.

Therefore, pursuant to Government Code § 11346.8, ERC would like to request a public hearing regarding the above-referenced proposed amendments. Further, ERC requests notice of the time, date, and place of the hearing which we understand will be provided to us by separate notice.

Thank you for your time and consideration of the foregoing.

Sincerely,

Chris Heptinstall,
Executive Director
