

State of California

Certificate of Honor

Presented To

TRaCE Task Force

On behalf of the State of California, I congratulate the TRaCE Task Force on their work to facilitate collaboration among state and federal agencies, labor organizations, local governments and business groups to promote a unified front in reducing the underground economy. Your ability to provide faster and more organized efforts in combatting fraud against the State, consumers and businesses has reduced prosecutorial costs, and helped to improve the health of California's economy and protect California's tax revenue stream.

Congratulations on the award and best wishes in all of your future endeavors.

*THEREFORE, I have hereunto set
my hand and caused the Seal of the
State of California to be affixed.*
