RE: Proposed Amendment to Gaming Activity Authorization Regulations

Dear Ms. George,

I am writing to **OPPOSE** the proposed regulations that hinder Casino 580 ability to waive collections fees in controlled games. These proposed regulations will cause me to **LOSE MY JOB** at Casino 580 and put my family's future at risk. Moreover, the City of Livermore will suffer a sharp reduction in general fund revenue much of which funds police and fire support in our area.

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. History has shown that price controls **HURT CONSUMERS** and have no place in a progressive state like California. Please do not cede to the special interests proposing these regulations and let our card room set its pricing based on local market conditions.

Thank you for your consideration of this matter.

Sincerely,

Name: NELLIE AESACI

RE: Proposed Amendment to Gaming Activity Authorization Regulations

Dear Ms. George,

I am writing to **OPPOSE** the proposed regulations that hinder Casino 580 ability to waive collections fees in controlled games. These proposed regulations will cause me to **LOSE MY JOB** at Casino 580 and put my family's future at risk. Moreover, the City of Livermore will suffer a sharp reduction in general fund revenue much of which funds police and fire support in our area.

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. History has shown that price controls **HURT CONSUMERS** and have no place in a progressive state like California. Please do not cede to the special interests proposing these regulations and let our card room set its pricing based on local market conditions.

Thank you for your consideration of this matter.

Sincerely,

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. History has shown that price controls **HURT CONSUMERS** and have no place in a progressive state like California. Please do not cede to the special interests proposing these regulations and let our card room set its pricing based on local market conditions.

Thank you for your consideration of this matter.

Sincerely,

RE: Proposed Amendment to Gaming Activity Authorization Regulations

Dear Ms. George,

I am writing to **OPPOSE** the proposed regulations that hinder Casino 580 ability to waive collections fees in controlled games. These proposed regulations will cause me to **LOSE MY JOB** at Casino 580 and put my family's future at risk. Moreover, the City of Livermore will suffer a sharp reduction in general fund revenue much of which funds police and fire support in our area.

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. RE: Proposed Amendment to Gaming Activity Authorization Regulations

Dear Ms. George,

I am writing to **OPPOSE** the proposed regulations that hinder Casino 580 ability to waive collections fees in controlled games. These proposed regulations will cause me to **LOSE MY JOB** at Casino 580 and put my family's future at risk. Moreover, the City of Livermore will suffer a sharp reduction in general fund revenue much of which funds police and fire support in our area.

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. History has shown that price controls **HURT CONSUMERS** and have no place in a progressive state like California. Please do not cede to the special interests proposing these regulations and let our card room set its pricing based on local market conditions.

Thank you for your consideration of this matter.

Sincerely,

Name: Tara Kuch

RE: Proposed Amendment to Gaming Activity Authorization Regulations

Dear Ms. George,

I am writing to **OPPOSE** the proposed regulations that hinder Casino 580 ability to waive collections fees in controlled games. These proposed regulations will cause me to **LOSE MY JOB** at Casino 580 and put my family's future at risk. Moreover, the City of Livermore will suffer a sharp reduction in general fund revenue much of which funds police and fire support in our area.

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. History has shown that price controls **HURT CONSUMERS** and have no place in a progressive state like California. Please do not cede to the special interests proposing these regulations and let our card room set its pricing based on local market conditions.

Thank you for your consideration of this matter.

Sincerely,

Name:

KENNETH MURPHY

RE: Proposed Amendment to Gaming Activity Authorization Regulations

Dear Ms. George,

I am writing to **OPPOSE** the proposed regulations that hinder Casino 580 ability to waive collections fees in controlled games. These proposed regulations will cause me to **LOSE MY JOB** at Casino 580 and put my family's future at risk. Moreover, the City of Livermore will suffer a sharp reduction in general fund revenue much of which funds police and fire support in our area.

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. History has shown that price controls **HURT CONSUMERS** and have no place in a progressive state like California. Please do not cede to the special interests proposing these regulations and let our card room set its pricing based on local market conditions.

Thank you for your consideration of this matter.

Moreover, the City of Livermore will suffer a sharp reduction in general fund revenue much of which funds police and fire support in our area.

If the Bureau requires that card rooms such as Casino 580 charge fees on every hand played, we will be at a serious competitive disadvantage to local tribal casinos and suffer a drastic loss of revenue. The Casino 580 has provided safe, legal gaming while **contributing LIVING WAGE JOBS and VITAL TAX REVENUE to the City of Livermore**. Many of these jobs and most of the tax revenue will be lost if these regulations become law.

No other gaming business in California is forced by law to charge its customers a fee per wager, and there is no reasonable basis for the Bureau to institute this practice. History has shown that price controls **HURT CONSUMERS** and have no place in a progressive state like California. Please do not cede to the special interests proposing these regulations and let our card room set its pricing based on local market conditions.

Thank you for your consideration of this matter.

Sincerely,
