INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

SECTION 1. This measure shall be known and may be cited as “*The McCauley-Rooker Wealth Tax and Oceans Preservation Act.*”

SECTION 2. The people of the State of California find and declare all of the following:

- (a) The concentration of private wealth in the hands of the few is inconsistent with the tenets of a democratic society.
- (b) Staggering sums of wealth have come to be concentrated in the hands of a tiny percentage of the population coinciding with growing poverty for tens of millions of persons, declining living standards and worsening economic security for tens of millions more.
- (c) There has been, in recent decades, a massive shift in wealth and income from the poor and middle class to the rich and wealthy. The process by which the targets of this initiative acquired their wealth in the first instance was the most radical transfer of wealth in American history, and this measure is a modest attempt to redress the increasingly dangerous imbalances that this concentration of social power has created.
- (d) Coincident with massive wealth transfers has been the ongoing destruction of the global environment, including the destruction of fisheries, oceans, glaciers, sea life, forests and the global ecosystem.
- (e) This act proposes to restore a measure of balance in wealth between persons living in California and to salvage the global ecosystem from ongoing destruction.

SECTION 3. Section 8 is added to Article XIII A of the California Constitution, to read:

SEC. 8 (a) The tax imposed under Sections 13302 of the Revenue and Taxation Code is not an ad valorem property tax for purposes of subdivision (a) of Section 1 and Section 3.

(b) Revenues derived from the taxes imposed under Sections 13302, 17041(j) and 17065.9 of the Revenue and Taxation Code are not “proceeds of taxes” or “General Fund revenues” subject to Sections 8 and 8.5 of Article XVI.

SECTION 4. Part 8 (commencing with Section 13301) of Division 2 of the Revenue and Taxation Code is repealed.

SECTION 5. Part 8 (commencing with Section 13301) is added to Division 2 of the Revenue and Taxation Code, to read:

For purposes of this subparagraph, "taxable estate" does not include any property that may not constitutionally be included in the taxpayer's taxable estate.
 - (C) Under no circumstances shall the rate of tax applied to the taxable estate be less than 45%.
- (4) Subdivision (c) of Section 2010 does not apply and the applicable credit amount against the tax imposed under this part is twenty million dollars (\$20,000,000).

The Board shall grant the extension if the taxpayer demonstrates reasonable cause for the extension.

13304. (a) The Global Warming Fund is hereby created in the State Treasury to receive all revenues, net of refunds, derived from the tax imposed under this part.
