Initiative Measure To Be Submitted Directly To The Voters

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

[Here set forth the title and summary prepared by the Attorney General. This title and summary must also be printed across the top of each page of the Petition whereon signatures are to appear.]

TO THE HONORABLE SECRETARY OF STATE OF CALIFORNIA

We, the undersigned, registered qualified voters of California, residents of _____ County, hereby propose amendment to the Health and Safety Code, relating to licensing of animals, and Petition the Secretary of State to submit the same to voters of California for their adoption or rejection at the next succeeding primary or general election, or at any special statewide election held prior to that primary or general election, or as otherwise provided by law. The proposed statutory amendment, Animal License Law reads as follows:

Section 1. Animal License Law

The state of California mandates that all cities, counties and any governmental entities within the state shall as a matter of public health not require any animal licensing or permit fees or assessment or taxes of any sort or combinations thereof to total any amount in excess of \$50.00. This is a public health issue intended to encourage the licensing of pet animals requiring rabies vaccinations. Senior citizens or individuals receiving MediCare or Medi-Cal benefits shall be entitled to a reduced rate of one half of the licensing or permit fee. Cities and Counties and other governmental entities within the state of California shall not enforce or enact any law or ordinance that would remove this mandate enacted by the citizens of the state of California.
