

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**REFERENDUM TO OVERTURN LAW REQUIRING SERIAL NUMBERS ON PERSONALLY MANUFACTURED OR ASSEMBLED FIREARMS.** If signed by the required number of registered voters and timely filed with the Secretary of State, this petition will place on the statewide ballot a challenge to a state law previously approved by the Legislature and the Governor. The challenged law must then be approved by a majority of voters at the next statewide election to go into effect. The law would require persons who make their own firearms to undergo a Department of Justice background check and to place a serial number on all such firearms. (16-0010.)
