Initiative No. 07-0042

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

TREATMENT OF FARM ANIMALS. STATUTE. Requires that an enclosure or tether confining specified farm animals allow the animals for the majority of every day to fully extend their limbs or wings, lie down, stand up, and turn around. Specified animals include calves raised for veal, egg-laying hens, and pregnant pigs. Exceptions made for transportation, rodeos, fairs, 4-H programs, lawful slaughter, research and veterinary purposes. Provides misdemeanor penalties, including a fine not to exceed \$1,000 and/or imprisonment in jail for up to 180 days.

Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: Probably minor local and state enforcement and prosecution costs, partly offset by increased fine revenue. (Initiative 07-0042.)
