**Multiple Agencies**  
\*21 agencies

**Multiple Agencies**  
\*11 agencies

User Agencies can view all CalGang® data, but can only add information to their specific node (regional) database.

**CalGang is used for the purpose of conducting criminal investigations**

Law enforcement without access to CalGang® can receive information by way of proxy; if they have Need to know/Right to know.

\*As of 5/23/18
