Dear Madam/Sir,

Hi, my name is Mike Ury and I am currently employed at The Bicycle Casino in Bell Gardens, CA. I am a floorman here and would like to request that you reconsider your position on removing No-Bust Black Jack games from our cardrooms. This game is a very integral part of the revenue and by removing it, it will have a devastating affect resulting in loss of employment not only for myself but hundreds if not thousands of other employees within the cardrooms in California.

Once again please keep us and our families in mind when you are making your decision on our future. Thank you.

Gratefully yours,
Mike Ury

To Whom it May Concern;

My name is Acharaporn Maichaimongkol & when I applied for a job @ The Bicycle Casino 14 year ago. I was so eager to work in such a facility. I had heard so many good things about working at the Bicycle Casino from friends & other employees of the casino. I heard how good the work environment is & HOW MUCH THE EMPLOYEES LOVE WORKING at this casino because they know they are in good hands. They get paid very well regardless of their positions

By working @ The Bicycle Casino I have joined the other employees of the casino who can afford to buy house of their own. Thanks of the Bicycle Casino I have a very affordable & excellent health insurance & I can take care of myself & my family.

I am hoping that I never lose my job & my position as a cook because I love my job & love working @ the B.C. By losing my job I will have a very small opportunity finding another job & I have to start at the bottom again.

I am begging you to please take me & another employees into account & do not make any drastic changes that effect our lives.

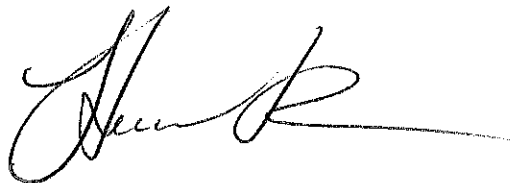

Working @ The Bicycle Casino is my life & the only source of income I have.

Thank you
Yours Truly,
Achara

Mi nombre es Jesus Lopez y actualmente estoy empleado en The Bicycle Hotel y Casino durante alrededor de 18 años. mi puesto de trabajo es lavador de platos y limpieza general.

Hoy estoy aqui para compartir con ustedes mi experiencia personal en todos estos años, de servicio y trabajo en el casino, mi trabajo me gusta mucho, me pagan bien y pues actualmente de este trabajo dependemos mi familia y yo, me costo mucho encontrar un trabajo por mi edad y este trabajo ha marcado la diferencia para mi y mi familia, porque nunca me han puesto un impedimento por mi edad, al contrario me dieron la oportunidad y me la siguen dando de seguir adelante hechandole ganas, si hay un cambio en las reglas que dañan la forma en que juegan los juegos o dañan los ingresos de la sala de cartas, eso podría impactarme. NECESITO MI TRABAJO...

lo aliento a que nos tenga en cuenta a nosotros y a las comunidades y no haga cambios drasticos para dañar las salas de juego.

To whom it may concern,

My name is Mary Wallaert and I am a 30 year employee at The Bicycle Hotel and Casino. I am concerned about the recent threat of losing the No Bust BJ game and the effect it would have on our employees whose livelihoods depend on this game.

I was working at The Bike before the Native American casinos existed. The tribes asked for the Los Angeles area cardrooms to support them to get on the ballot so that they could start their businesses and in turn they promised that they would support us, that there was room for all of us to coexist. Since then it seems that the Native American casinos are constantly trying to undermine our business.

Black Jack has been around since the early 1600's and is played in casinos and card clubs across the country as well as around the world. It is unfathomable the Tribal Casinos should have a monopoly on all versions of the game.

The Bicycle Hotel and Casino supports many individuals and families by being their source of income. The Bike offers additional support by giving scholarships to children of employees.

It also supports the local community of Bell Gardens by the revenue it raises. The city of Bell Gardens has changed dramatically for the better in the past 30 years and The Bike is a large part of this. The Bike additionally supports the city with various activities such as the children's Christmas party.

I ask that business can continue in a fair manner, that the livelihoods of team members are not disrupted, and that the community of Bell Gardens can continue to thrive.

Sincerely,

Mary Lou Wallaert

My name is Hector Franco, I am currently employed at the Bicycle Hotel and Casino as one of the cooks at the Bike Brewery. Aside from being an employee at the Casino, I am also a member of the community that surrounds the Casino. I grew up a mile from the Bicycle Casino, and have always been aware of how important it is to the City of Bell Gardens. Many people rely on the Casino in order to provide for their families and self well being. Taking away any part of the gaming option the Bicycle Casino offers would not only affect people who gamble at the Casino, but everyone connected to the Casino. To assure the well being of everyone ~~part~~ ~~connected~~ connected to the Casino, all gaming should stay as is.

My name is Carolina Guevara and I am currently employed at The Bicycle Casino Hotel for the past 2 yrs.

My job position is a Dishwasher. I am here today to share with you my experience at The Bicycle Casino Hotel. I had a hard time finding a job and this job has made a difference for me and my family. I am able to support ~~de~~ my family as a single parent. If there is a change in the rules that harm the way games are played or harm the revenues of the cardroom that could impact me. I need my job.

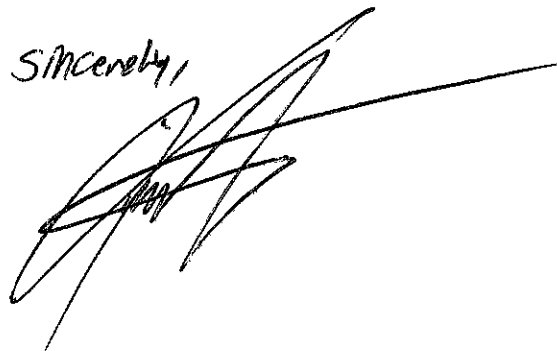

Nov. 12, 2018

My name is Cinthia and I am currently employed at the Bicycle Hotel and Casino for the past year. My job position is a cook at the Brewery Kitchen. I am here today to share with you my experience at the Bike. I started working at the casino on October of last year. During the period of time I been working here I met a lot of amazing people. I need this job because I have a daughter and I'm a single mother. This job helps me in providing the needs for my daughter and able to support her. Not only does this job has helped me financially, but also have made a new family out work. I like the people I work with and the new people I get to meet every day. I hope we get taken into account. People need their jobs and to some this job is close to their homes. Do not drastically make any changes, because we all depend on this job.

To whom it may concern,

My name is Karl Smith and I am currently employed at the Bicycle Casino. I just started working as a Poker dealer. I previously worked as a Third party player for almost 2 years at Hustler Casino. The Casinos have provided job opportunities that would not otherwise be available. This job has given me hope that I may no longer have to slave away at a low-paying, physically demanding job with no hope of retirement. For me it has been very meaningful to meet great people and make lasting friendships. I consider some of the co-workers I have known to be family. I don't have much of a real family so the holidays are a rough depressing time usually but now they don't have to be. The Casino gives me an outlet to utilize my excellent customer service skills and to challenge myself to grow and be a part of something bigger than me. Not only can I make great money now and get my own place to live but I can have fun and be free from my back pain. It's because of this job that I have hope for a better life. Hope no other job offered. I beg you to please not make a decision that would harm any of the great people that work or play here or any other California card room.

Sincerely,

My name is Antonio Hernandez and I am an employee at the Bicycle Casino. I have been working here for 13 years. This place has been good to me in many ways. I met a lot of people here. They are happy people that come to the casino to have a good time. They like the games that are played here. If Black Jack was removed from the casino, things are not going to be good. Most people don't know Poker, so they rather take chances in Black Jack. It's an easy game for them. Black Jack is a big thing in a casino. A casino without Black Jack is like a gym with no weights. It plays a big part in the gaming experiences for the people.

My Name is Edmund Lopez ; I am currently employed at The Bicycle Hotel ; Casino as an administrative clerk.

I have been working here for over a decade ; I would simply like to stress my concern over the possible changes to the gaming rules that may negatively impact my fellow coworkers.

The stability of working here has been placed in jeopardy for them ; I feel it should be stressed as to how many lives will be negatively impacted by the changes proposed.

I urge you to take into consideration all the employees whose employment might be impacted by the decisions made today.

With that being said, Thank you for your time.

To whom this may concern,

My name is Sandy Ngov, I am currently employed at the Bicycle Hotel & Casino for 10 years. Because of my job pays me well, I have been able to support my own family as well as my other families who need help. I have been very blessed to my job, and I hope to be able to keep my job.

At my work, my players are like my family. Some come just to play a short time just to enjoy and hope to win little, because they live close to the casino. Some come to play all games, but some come to play only NO BUST BLACKJACK Game. I am worried that if we do not have NO BUST BLACKJACK Games, we will be losing players and it will affect my tips that I have been depending on for my living.

Please do NOT take away the NO BUST BLACKJACK GAME AWAY FROM THE BICYCLE HOTEL AND CASINO!

Thank You!

Best Regards,

Sandy Ngov

My name is Gary Silva and I'm currently employed at the Bicycle Hotel and Casino for the past 1 year and 2 months.

My position is Corporal of Security.

I am writing to you today to share with you my experience working at the Bicycle Hotel and Casino.

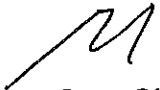

I speak from my heart when I tell you how much I love my job at the Bicycle and consider my co-workers as almost family. I have learned during my time here that these people I work with are some of the most hardworking, productive, and amazing people which I've ever had the pleasure to work with in all my life long careers! These people value this industry and try their best to promote the industry through their great attitudes and customer service.

Being at the end of my working career, I'm not concerned for myself, but I am concerned for all these amazing people with whom I work along side and have grown to appreciate.

I am sure that you must have the same type of loyal hardworking individuals at your casino as well and can appreciate what type of impact losing the black jack games could have on many of these people of the Bicycle and their families who they support from their jobs. Losing the black jack games could mean jobs lost for some of these people who have been with the Bicycle Casino for many years, and would also reduce employment opportunities for others who may be in search of jobs.

I ask that you please consider how your decision may have either a positive or negative impact on the lives of so many wonderful people and their families.

Very Respectfully,

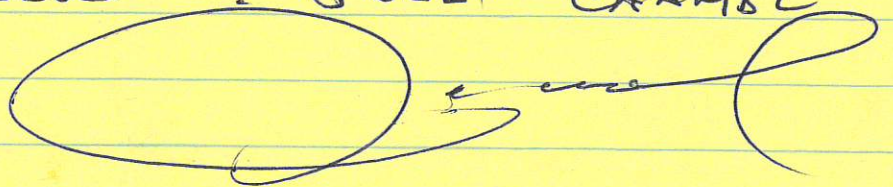

Gary Silva

Please take our great team, their families and children into account when making any drastic changes that may harm our cardroom, community, and the families within it.

The staff has assisted with my growth and have worked with my school schedule since I am a full time student as well as a fulltime employee. The Bicycle Hotel has been a place that I have appreciated to work for. It has provided me with a career which I love and have provided a way for me to provide for my family. Its to my belief onto why I ask you to reconsider the removal of table games and how it could potentially harm families like mine. The less tables or options available to draw customers or guest shrink, less people equal less food being made which equals less jobs. By removing table

To whom it may concern:

My name is Brian Phillips and I am currently employed at the Bicycle Hotel & Casino as a Table Games Trainer.

I have been working in Los Angeles card clubs the past 13 years, primarily in Asian games.

This industry has allowed me to pay off my student loans, support myself and save money for buying a home and retirement.

As a trainer I'm helping dozens of fellow employees every month also pursue careers in table games. The opportunity for them to get a good job without an expensive degree is not available in most industries.

If these jobs are taken away not only will I lose my job but all my students who worked hard to improve their lives will be out of work.

Please do not take table games away from California cardrooms

Hemos podido Subsistir gracias al trabajo en esta compañía, de igual manera hemos podido ayudar a nuestras familias en nuestro pais de Origen.

Si llegase a haber algún cambio en nuestro trabajo, afectaria grandemente a cientos de empleados que laboramos aqui.

Hi, My name is Suzan Lee and I am currently employed at Bicycle Hotel & Casino for the past 20 years.

My job position is Poker side Dealer Coordinator.

I would like to share with you my experience at Bicycle Hotel & Casino.

In 1993 I started at Bicycle Casino as poker dealer and dealt for 5 years at Graveyard shift.

For family reason I had to move out of state (Moved to Georgia) for 5 years.

When I came back to California, the first things I needed was job will support me.

I thought about getting back to dealing & walked in to Bicycle Casino, my former D/C saw me & offer me a position immediately.

I was very grateful & happy to back to work at Bicycle Casino which will support me & my family financially a great deal.

Also this company give a opportunities to advance better position which I had a chance to be a dealer Coordinator.

Bicycle Casino offers equal opportunities to anyone to achieve their needs.

I took a position I always wish for & very happy with my job.

I am planning to retire here at Bicycle Casino & wish my future will be bright here.

I know I can make it to higher position when it's available. & always grateful working at Bicycle Hotel & Casino.

Thankyou for reading my letter.

To whom this may concern,

Over the last six years, I have worked in several different casinos. It is a life support among communities all across Southern California. No Bust BlackJack is the most attractive game for the players and it is vital that it stays in our cardrooms. If it were to be taken away, the negative consequences will be astronomical. There is sure to be lay-offs due to loss in casino revenue. The less casino income will also lead to decreased revenue for the city which in turn will affect the betterment of our communities. Many families lives depend on this crucial decision and I hope you will let us keep No Bust BlackJack in our cardrooms.
