**To: All California Applicant Agencies**

The Federal Bureau of Investigation (FBI) has revised the processing fee for federal-level Criminal Offender Record Information (CORI) search requests.

Effective March 19, 2012, the FBI processing fee for the employee-applicant type will be \$17.00. The volunteer-applicant type will remain \$15.00.

This new processing fee is only for federal-level CORI search requests sent to the FBI by the Department of Justice (DOJ). The \$32.00 DOJ processing fee, for a state-level CORI search, remains unchanged.

Questions may be sent to [appagencyquestions@doj.ca.gov](mailto:appagencyquestions@doj.ca.gov).

Sincerely,

LINDA K. DENLY, Acting Director  
California Justice Information Services Division
