Executive Summary

This report summarizes the accomplishments of the California Witness Relocation and Assistance Program (CalWRAP) during the fiscal year (FY) reporting period of July 1, 2015 to June 30, 2016. During this reporting period, the CalWRAP managed 770 cases. This included 498 cases that were opened in FY 2013-2014 and FY 2014-2015, and another 272 cases that were opened in FY 2015-2016. The program closed 361 cases, leaving 409 active cases.

The 272 new cases provided services to 314 witnesses and their 459 family members. During their participation in the CalWRAP, the witnesses provided testimony against 642 violent offenders. There were 199 gang-related cases with numerous others classified as high-risk (44), organized crime (9), domestic violence (8), human trafficking (7), and narcotics trafficking (5). Charges of homicide and attempted homicide were the principal charges in 70.6 percent of the cases. Assault accounted for another 11.0 percent. The remaining 18.4 percent of cases involved robbery, threats, human trafficking, narcotics, kidnapping, rape and sexual assault, fraud, home invasions, criminal conspiracy or burglary.

A total of \$4,855,000 was allocated to the CalWRAP for distribution to California district attorneys' offices in FY 2015-2016. The program expended \$819,418 as of June 30, 2016, with the remaining balance available for district attorneys to support their cases.

The program processed 699 claims for reimbursement in FY 2015-2016 totaling \$5,396,139 in authorized witness expenditures to 25 California district attorneys' offices. The distributed funds were processed pursuant to the mandatory 25 percent match requirement.

The 361 closed cases include 133 cases that were closed with reportable convictions. Thirty of these closed cases are detailed in the "Successful Prosecutions" Section of this report because they represent the varied sentences that are meted out to offenders in cases managed by the CalWRAP. The sentences range from eight months for assault to life without parole plus 35 years to life for homicide.

The CalWRAP expended \$239,506 on administrative costs in FY 2015-2016, which included personnel resources and general operating expenses. CalWRAP staff continue to provide program training to local law enforcement personnel throughout California at conferences, Commission on Peace Officer Standards and Training (POST) certified training courses and as requested. The CalWRAP is currently administered by the Division of Law Enforcement.

Testimonials

The program solicits information from local law enforcement agencies after the closure of their cases requesting comments or suggestions concerning the CalWRAP, its policies, or procedures. The comments received from these agencies during FY 2015-2016 contained many positive responses regarding the services of program staff, the witness services provided, and the continued need to provide these services to testifying witnesses. The following are a few of the testimonials received during the past year.

Contra Costa County District Attorney's Office

- "This is yet another gang case which we could not prosecute unless we had the assistance provided by CalWRAP. Due to case complications, the defendants were found guilty of Manslaughter, with gang enhancements. All three subjects were sentenced to prison. CalWRAP continues to provide invaluable assistance to our office and CalWRAP staff is very responsive to any of our requests."
- "...CalWRAP provided invaluable assistance to our prosecution of an extremely violent gang member. Because the CalWRAP witness was available to testify at trial, both defendants agreed to plead guilty. ...the main culprit, was sentenced to 21 years in prison. This would not have occurred but for CalWRAP."
- "...the program has always met all of our needs, and has proven time and again to be essential to our efforts to combat violence in Contra Costa county particularly when prosecuting gang members."

Monterey County District Attorney's Office

"Without the CalWRAP Assistance, we couldn't have been able to secure this witness' testimony by relocating [the witness] for security purposes. [The witness] was a vital part of the investigation. After [the witness'] testimony at the jury trial we secured a guilty verdict for first degree murder."

Shasta County District Attorney's Office

"CalWRAP has been an asset for our office. Witnesses and victims have been kept safe. We have even received a "thank you" from witnesses."
