Dear Valued Regency Theatres Customer;

We are writing to tell you about a data security incident that may have exposed some of your personal information. We take the protection and proper use of your information very seriously. For this reason, we are contacting you directly to explain the circumstances of the incident.

What happened?

At the beginning of June, we discovered that in January, 2018, information on the www.regencymovies.com website was accessed by an unauthorized third party.

What information was involved?

The information accessed was the information provided in utilizing the option of "Creating an Account" for ticket purchases on www.regencymovies.com. This includes; Name, Address, Email Address, Encrypted Passwords and Rewards Card Number.

What we are doing.

We have successfully identified the vulnerability that was exploited in order to extract this data and have taken steps to remove it. We are working closely with security experts to test and monitor our systems to prevent any future unauthorized access to customer data.

What you can do.

Although the passwords are **encrypted**, as a precaution, if you utilize the same password on other websites, we would recommend changing it along with your www.regencymovies.com password.

As an added precaution, we have arranged to have AllClear ID protect your identity for 12 months at no cost to you. The following identity protection services start on the date of this notice and you can use them at any time during the next 12 months.

Free Credit Report. It is recommended that you remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring your credit report for unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies.

To order your annual free credit report, please visit www.annualcreditreport.com or call toll free at **877-322-8228**.

If you see any unauthorized activity, promptly contact your financial institution. We also suggest you submit a complaint with the Federal Trade Commission (FTC) by calling 1-877-ID-THEFT (1-877-438-4338) or online at <https://www.ftccomplaintassistant.gov/>.

Even if you do not find any suspicious activity on your initial credit reports, the FTC recommends that you check your credit reports periodically. A victim's personal information is sometimes held for use or shared among a group of thieves at different times. Checking your credit reports periodically can help you spot problems and address them quickly.

You also may want to consider placing a security freeze on your credit files. A freeze prevents an authorized person from using your personal identifying information to open new accounts or borrow money in your name.

You will need to contact the three U.S. credit reporting agencies to place the security freeze. The fee is \$10 for each credit reporting agency. The agencies may waive the fee if you can prove that identity theft has occurred. Keep in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze.

To obtain a security freeze, contact the following agencies:

Equifax: 1-888-298-0045; web: www.freeze.equifax.com

TransUnion: 1-800-680-7289; web: www.transunion.com (search for security freeze)

Experian: 1-888-EXPERIAN; www.experian.com/freeze.com
