Dear [merchant website] customer,

We wanted to let you know about a security event involving [merchant website] that included your payment information. Spark Pay® Online Store hosts this website and we want to provide you the details of this event and our offer of free credit monitoring.

WHAT HAPPENED. We discovered malicious code on [merchant website]. The code was designed to allow fraudsters to obtain customer payment information. We immediately began investigating the issue, analyzed [merchant website], removed the malicious code and performed security testing.

WHAT INFORMATION WAS INVOLVED. Based on our investigation, we believe the fraudster may have accessed your name, address, phone number, email address, payment card number, expiration date, and CVV for any transactions you made on [merchant website] between [variable dates between April 10, 2017 and June 7, 2017].

WHAT WE ARE DOING. We are working with law enforcement and have notified Visa®, MasterCard®, Discover®, and American Express® who alerted the card issuing banks so that they can take appropriate steps to protect their cardholders in accordance with their fraud policies.

For your protection, we are providing two years of free credit monitoring and identity protection with TransUnion's credit monitoring service. You may sign up for this service at the website noted below by September 30, 2017. Please read the tips below on how to get started.

WHAT YOU CAN DO.  - Once you're enrolled, you'll receive the following benefits at no cost to you:
 1. Two years of unlimited access to your TransUnion credit report and credit score.
 2. Daily monitoring of your TransUnion, Experian and Equifax credit reports.
 3. Alerts of potential fraud indicators across all three of your credit reports. Alerts include new inquiries, new accounts, new public records, late payments, change of address and more.
 4. Up to \$1 million in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)
2. Monitor your card account(s) carefully for incidents of fraud and identity theft over the next 12 to 24 months. If you discover any suspicious or unusual activity on your account(s) or suspect identity theft or fraud, report it immediately to your card issuing bank.
3. Monitor free credit reports. You can request and review credit reports from each nationwide credit reporting company noted below.
 - Once you receive your reports, review them for suspicious activity, such as inquiries from companies you did not contact, accounts you did not open, and debts that you did not authorize.
 - Notify the credit reporting company if any information is incorrect.

To obtain a free copy of your credit report each year from the nationwide credit reporting companies, simply visit <https://www.annualcreditreport.com/index.action>, call **1-877-322-8228**, or complete the Annual Credit Report Request Form, which can be found at <http://www.ftc.gov/bcp/edu/resources/forms/requestformfinal.pdf>, and mail it to:
