INITIATIVE COORDINATOR  
ATTORNEY GENERAL'S OFFICE

August 25, 2015

Re: Request for Title and Summary for Proposed Initiative

Dear Ms. Johansson,

In accordance with Article II, Section 10(d), of the Constitution of the State of California, the undersigned proponent submits the proposed statewide ballot measure, "**The California Cannabis Legalization Act of 2016,**" and hereby respectfully requests that the Attorney General prepare a Title and Summary of the chief purposes and points of the measure titled as required by law.

Additionally, since the term "marijuana" is a colloquialism with its linguistics roots in the cultural racism of the 1930's, and is, therefore, a racial pejorative which offends many people, especially Latin Americans, and since the objective scientific name of the plant is, and always has been, the Latin term "cannabis," we respectfully request that all references to the plant in the Title and Summary be written as they are within the draft of the proposed initiative, to wit:

**Cannabis (marijuana)**

In accordance with Election Code sections 9001(b) and 9608, enclosed herein is a check for \$200.

Should you have any questions, please contact the undersigned.

Thank you.

SECTION 1. (a) It is the intent of the people in enacting this measure to do all of the following:

(1) Legalize and authorize commercialization of cannabis (marijuana) for personal use by adults over 21 years of age.

(2) Legitimize the current use of medical cannabis (marijuana), as determined by a patient and his or her doctor.

(3) Authorize and finance scientific studies into the medicinal uses of cannabis (marijuana).

(4) Legalize industrial hemp for any and all purposes.

(b) Cannabis (marijuana) is a plant being actively used by millions of adult Californians.

(c) Cannabis (marijuana) is being used medically to successfully treat and cure many diseases and disorders.

(d) Cannabis (marijuana), as industrial hemp is a renewable and ecological source of food, fiber, and fuel.

(e) Prohibiting cannabis (marijuana) fails to protect society from criminal behavior, while incarcerating and ruining the lives of millions of otherwise law-abiding Californians.

(f) Prohibiting cannabis (marijuana) costs California taxpayers hundreds of millions of dollars for law enforcement, while producing an underground economy with billions of dollars in untaxed income.

SEC. 2. Division 10 (commencing with Section 26000) is added to the Business and Professions Code, to read:
