

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**CHILDHOOD SEXUAL ABUSE. STATUTES OF LIMITATIONS. INITIATIVE**

**STATUTE.** Eliminates statute of limitations for civil actions based on childhood sexual abuse committed on or after the effective date of the measure. Eliminates statute of limitations for felony prosecutions for certain sexual crimes committed against children on or after the effective date of the measure, and for such crimes committed before the effective date of the measure for which the statute of limitations has not yet expired. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Probably minor increase in costs to the state courts, as well as the state and local criminal justice system, from an increase in cases filed and individuals convicted. The fiscal impact on local governments related to civil claims is not likely to be significant on a statewide basis, but the effect on individual local government entities could vary substantially.** (15-0059.)
