

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**REGULATES VARIOUS SUBSTANCES AND PRACTICES RELATED TO
AGRICULTURE, CONSUMER PRODUCTS, AND HEALTH. INITIATIVE STATUTE.**

Prohibits genetically engineered plants and animals and over 300 listed substances from being used or released into the environment. Creates new state entity to regulate environmental activities, modify projects having pollution and radiation impacts, and test and approve substances before they can be introduced in California. Prohibits treatment of water with fluoride or chlorine. Regulates vaccine ingredients and eliminates vaccination as a prerequisite for attendance at schools and daycare facilities. Provides criminal and civil liability for violations, with no statute of limitations. Fiscal impact: **It is the opinion of the Legislative Analyst and Director of Finance that the measure would result in a substantial net change in state and local finances.** (17-0052.)
