

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**INCREASES FUNDING FOR PUBLIC SCHOOLS, COMMUNITY COLLEGES, AND LOCAL GOVERNMENT SERVICES BY CHANGING TAX ASSESSMENT OF COMMERCIAL AND INDUSTRIAL PROPERTY. INITIATIVE CONSTITUTIONAL AMENDMENT.**

Increases funding for K-12 public schools, community colleges, and local governments by requiring that commercial and industrial real property be taxed based on current market value. Exempts from this change: residential properties; agricultural properties; and owners of commercial and industrial properties with combined value of \$3 million or less.

Increased education funding will supplement existing school funding guarantees. Exempts small businesses from personal property tax; for other businesses, exempts \$500,000 worth of personal property. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: **Net increase in annual property tax revenues of \$7.5 billion to \$12 billion in most years, depending on the strength of real estate markets. After backfilling state income tax losses related to the measure and paying for county administrative costs, the remaining \$6.5 billion to \$11.5 billion would be allocated to schools (40 percent) and other local governments (60 percent).** (19-0008.)
