

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**REFERENDUM TO OVERTURN LAW REGULATING LOANS OF FIREARMS.** If signed by the required number of registered voters and timely filed with the Secretary of State, this petition will place on the statewide ballot a challenge to a state law previously approved by the Legislature and the Governor. The challenged law must then be approved by a majority of voters at the next statewide election to go into effect. The law would exempt only loans among specified relatives from a general requirement that firearms be loaned through an intermediary firearms dealer, and would require loaned handguns to be registered to the lender.
