The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

**ELIMINATES RECENTLY ENACTED ROAD REPAIR AND TRANSPORTATION FUNDING BY REPEALING REVENUES DEDICATED FOR THOSE PURPOSES.**

**INITIATIVE STATUTE.** Eliminates recently enacted state and local transportation funding for repair and maintenance of streets, highways, bridges, safety projects, and public transportation by repealing portions of the tax on gasoline ($0.12 per gallon) and diesel fuel ($0.20 per gallon), sales and excise taxes on diesel fuel (4% per gallon), vehicle registration fees ($25-$175, depending on vehicle value), and $100 zero-emission vehicle fee. Eliminates Independent Office of Audits and Investigations, which is responsible for ensuring accountability in the use of revenue for transportation projects. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: **Reduced annual state transportation revenues of $2.9 billion in 2018-19, increasing to $4.9 billion annually by 2020-21. These revenues would otherwise primarily support state highway maintenance and rehabilitation, local streets and roads, and mass transit.** (17-0004).
