

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

IMPOSES ADDITIONAL TAX ON CIGARETTES FOR CANCER RESEARCH.

INITIATIVE STATUTE. Imposes additional five cent tax on each cigarette distributed (\$1.00 per pack), and an equivalent tax increase on other tobacco products, to fund cancer research and other specified purposes. Requires tax revenues be deposited into a special fund to finance research and research facilities focused on detecting, preventing, treating, and curing cancer, heart disease, emphysema, and other tobacco-related diseases, and to finance prevention programs. Creates nine-member committee charged with administering the fund. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: Increase in new cigarette tax revenues of about \$850 million annually by 2011-12, declining slightly annually thereafter, for various health research and tobacco-related programs. Increase of about \$45 million annually to existing health, natural resources, and research programs funded by existing tobacco taxes, but a decrease of about \$45 million annually in tobacco taxes for early childhood programs. Increase in state and local sales taxes of about \$32 million annually. (09-0065.)
