Definitions for Form PL-2

“Charitable fundraising platform” means any person or entity that uses the internet to provide a website, service, or other platform to persons in California, and performs, permits, or otherwise enables acts of solicitation to occur. Acts of solicitation include solicitations performed as a consulting, coventuring, peer-to-peer, or soliciting charitable fundraising platform. See Government Code section 12599.9, subdivision (a)(1), and California Code of Regulations, title 11, section 314, subdivisions (b), (c), (j), and (l), for complete definitions.

“Consulting charitable fundraising platform” means a charitable fundraising platform that is customizable and enables charitable organizations to solicit donations made to them from donors, including when charitable organizations manage peer-to-peer charitable fundraising campaigns enabled by the charitable fundraising platform. See Government Code section 12599.9, subdivision (a)(1)(E), and California Code of Regulations, title 11, section 314, subdivision (b), for complete definition.

“Coventuring charitable fundraising platform” means a charitable fundraising platform that performs solicitations by listing or referencing by name one or more recipient charitable organizations to be sent donated funds based on purchases made or other activity performed by platform users, including by permitting platform users to select one or more recipient charitable organizations to be sent donated funds. Donated funds for recipient charitable organizations would come from the charitable fundraising platform, or, when platform users can select recipient charitable organizations, from the charitable fundraising platform or other

third party persons who are not platform users. See Government Code section 12599.9, subdivision (a)(1)(C) & (D), and California Code of Regulations, title 11, section 314, subdivision (c), for complete definition.

“Donated funds” means a donation or grant of a recommended donation, such as when a charitable fundraising platform or platform charity sends a donation or grant of a recommended donation to a charitable organization. See California Code of Regulations, title 11, section 314, subdivision (e), for complete definition.

“Donation” means a donation or recommended donation made by a donor.

“Donor” means, for charitable fundraising platforms that are not coventuring charitable fundraising platforms, a platform user who makes a donation based on solicitations performed, permitted, or enabled by the charitable fundraising platform. For coventuring charitable fundraising platforms, “donor” means a person or entity who is not a platform user and makes a donation based on solicitations performed, permitted, or enabled by the charitable fundraising platform, and purchases made or other activity performed by platform users.

“Partner” means a platform charity that was retained by a charitable fundraising platform to facilitate solicitations on its charitable fundraising platform pursuant to a contract. “Partner” also means a charitable fundraising platform (platform A) that acts similarly to a platform charity and was retained by another charitable fundraising platform (platform B) to facilitate solicitations on the other charitable fundraising platform (platform B) pursuant to a contract. A charitable fundraising platform acts similarly to a platform charity when it meets the definition of both a platform charity and charitable fundraising platform, but is deemed only a charitable fundraising platform pursuant to Government Code section 12599.9, subdivision (b)(1).

“Partnering platform” means a charitable fundraising platform that retained a platform charity or another charitable fundraising platform (that acts similarly to a platform charity) to facilitate solicitations on its charitable fundraising platform pursuant to a contract.

“Partnership” means a contractual relationship between a charitable fundraising platform and a platform charity, or between two charitable fundraising platforms, where one of the direct or indirect purposes of the contract is to facilitate acts of solicitation on a charitable fundraising platform. See California Code of Regulations, title 11, section 314, subdivision (i), for complete definition.

“Peer-to-peer charitable fundraising platform” means a charitable fundraising platform that permits or enables platform users to solicit donations made by other platform users for one or more recipient charitable organizations. See Government Code section 12599.9, subdivision (a)(1)(B), and California Code of Regulations, title 11, section 314, subdivision (j), for complete definition.

“Platform charity” means a charitable corporation or trustee that facilitates acts of solicitation on a charitable fundraising platform, including by soliciting donations for itself through the platform with the implied or express representation that the platform charity may grant donations to recipient charitable organizations, or granting funds to recipient charitable organizations based on purchases made or other activity performed by platform users. See Government Code section 12599.9, subdivision (a)(5) for complete definition. A person or entity that meets the definition of both a platform charity and charitable fundraising platform is deemed a charitable fundraising platform. See Government Code section 12599.9, subdivision (b)(1).

“Platform user” means a person who uses a charitable fundraising platform. A platform user includes a donor who makes a donation to a charitable organization through use of a charitable fundraising platform, a person who engages in peer-to-peer charitable fundraising through use of a charitable fundraising platform, and a person who makes purchases or performs other activity through use of a charitable fundraising platform that causes donated funds to be sent to a charitable organization. See California Code of Regulations, title 11, section 314, subdivision (k), for complete definition.

“Recipient charitable organization” means a charitable corporation or trustee that is listed or referenced by name on a charitable fundraising platform for solicitation purposes. See Government Code section 12599.9, subdivision (a)(7), for complete definition.

“Soliciting charitable fundraising platform” means a charitable fundraising platform that solicits donations from donors who use the platform by listing or referencing by name one or more recipient charitable organizations to be sent donated funds. See Government Code section 12599.9, subdivision (a)(1)(A), and California Code of Regulations, title 11, section 314, subdivision (l), for complete definition.
