Funding

The Fortune Pai Gow Poker Progressive Jackpot is a player-funded progressive jackpot which features both progressive and fixed prizes. There is no cap to the jackpot prize amount.

The Casino will initially seed the jackpot in an amount between \$1,000 and \$50,000. Once there are sufficient monies in the Fortune Pai Gow Poker Progressive Jackpot reserve fund, the initial seed will be reimbursed to the Casino and shall be documented in the accounting records. There is no cap to the Fortune Pai Gow Poker Progressive Jackpot.

Fortune Pai Gow Poker Progressive Jackpot

After the progressive jackpot is hit, it will be re-seeded by the reserve fund at an amount between \$1,000 and \$50,000. In addition, the reserve fund will be used to pay out all fixed prize amounts. The progressive prize pool shall increase daily based solely on the number of jackpot collection fees placed and collected each day. In the event that the reserve fund is depleted, the casino will make up any shortfall. Once there are sufficient monies in the Fortune Pai Gow Poker Progressive Jackpot reserve fund, the re-seed amount will be reimbursed to the Casino and shall be documented in the accounting records.

Each \$1 jackpot fee paid by a player will be broken down as follows:

- \$0.07 will be immediately posted on the meter.
- \$0.93 will be tracked in a reserve fund.

Administrative Fees

The Casino will take an administrative fee ranging from \$10 - \$20 per table per hour. The administrative fee will be taken from the reserve fund. The fee will cover the costs associated with administering the progressive jackpot.

No Purchase Necessary

The Fortune Pai Gow Poker Progressive Jackpot shall be offered to customers who wish to participate for free, on a general and indiscriminate basis, with **no restrictions**. The Casino shall provide No Purchase Necessary tables for all patrons who request to participate in the gaming activity without paying a table fee or placing a live wager. All advertisement material shall state "No Purchase Necessary" when referencing the Fortune Pai Gow Poker Progressive Jackpot. This requirement extends to all forms of advertising including electronic message boards, computer monitors, posters, and flyers.

Equipment

The electronic software and digital reader related to and used in conjunction with this jackpot, which is used on each table eligible for this jackpot, has been tested, approved, and certified by the Gaming Laboratories International, LLC (GLI).

- When a player has a progressive winning hand, the house dealer shall press the appropriate hand button on the keypad.
- The house dealer shall then contact the casino representative.
- Once the Casino verifies the progressive win, the casino representative shall insert the key and rotate it to "JPH" and then press "J-pot" button. This records the win onto the Game Manager. House procedures are then followed for paying the prize.
- Returning the key to the "Run" position will restore normal operation of the table and adjust the meter appropriately for the prize won.
- When the house dealer reconciles all action (on behalf of the player-dealer), he/she presses "Game Over." This resets the system to begin the next hand.
- Once the "J-pot" button is pressed, the prize is logged into Game Manager.

Bureau Requirements

Advertising

Casino Marysville may advertise various names for this gaming activity. Should the Casino advertise a different name, the BGC ID (GEAR-001369) shall be referenced on all advertisements relating to this gaming activity.

Furthermore, all rules and procedures for the gaming activity, including but not limited to the following, shall be prominently displayed in Casino Marysville at all times the gaming activity is being offered for play:

- Eligible games and time periods
- Qualifying hands and corresponding prize amounts
- Gaming activity jackpot fees
- Administrative Fees
- Availability of No Purchase Necessary
- Any other restrictions that apply to this gaming activity

Eligible Controlled Games

The Three Card Poker Progressive Jackpot shall be attached to the following Bureau approved controlled game offered at Casino Marysville, as shown below, at all times this gaming activity is being offered for play. All controlled game rules shall be played as previously approved by the Bureau.

- Three Card Poker 6 Card Bonus (GEGR-002247)

Object and Summary

The object of the Three Card Poker Progressive Jackpot is for participating players to achieve a qualifying hand, as shown below, in order to win a fixed or progressive prize.

1. To begin each round, players must make their regular base game wager. Players may optionally place any bonus bets and optional \$1 jackpot fee. Players who do not make a base game wager are not eligible to place a jackpot fee.
2. "Hockey Puck" discs will be attached to the table in front of each betting position. These discs have a sensor and will detect when a live casino chip is placed on them. Players must place the optional jackpot fee on the sensor. The sensor will then light up.
 - a. Should the sensor(s) malfunction during in the middle of a hand, game play will stop and a casino representative will attempt to reconcile the error manually.
 - i. If the error is fixed then game play will resume.
 - ii. If the error cannot be reconciled then the \$1 jackpot fee will be returned to the players and no jackpot will be offered, until the malfunction is fixed.
 - b. Should the sensor(s) malfunction before the start of a hand, the seat(s) with the malfunctioning sensor will not be eligible to place a \$1 jackpot fee or be eligible for this gaming activity.
 - i. Players will be eligible to participate and place wagers on the base game.
3. Once all players place their controlled game wagers, any bonus bets, and jackpot fees, the house dealer will press "Coin In" on the keypad. The sensors will then light up, indicating participation in the gaming activity. The house dealer will then remove all jackpot fees from the table. The jackpot fees shall be dropped into a separate and locked jackpot collection box and accounted for separately.

Three Card Poker Progressive Jackpot

4. The house dealer then follows standard approved procedures for dealing the controlled game.
5. Any player who makes a qualifying hand will be paid according to the Three Card Poker Progressive Jackpot Payout Table below.

Qualifying Hands

In order to form a qualifying hand, players must use the three cards that were dealt to them. All qualifying hands within a chart must be offered together at all times.
