Poker Tournaments

Tournament Prize Amounts & Source of Funds

The prizes will be the cumulative amount of buy-ins, re-buys, and add-ons. The prizes may also be guaranteed. The cardroom may provide prizes or add funds to the prize pool for special events.

Regular Prize Pool

The tournament prize pool will consist of the sum of all buy-ins, re-buys, and add-ons for each tournament event, and paid cash to the winner(s).

Guaranteed Prize Pool

North Coast Casino may guarantee a tournament prize pool amount, which will be the minimum of all the Buy-In's for the tournament, in the form of cash. In this case, if the tournament prize pool paid to the player(s) from the buy-ins, re-buys, and add-ons (if applicable) does not equal the amount guaranteed for the tournament prize pool, North Coast Casino will cover the shortfall. If the total of the buy-ins, re-buys, and add-ons (if applicable) is greater than the amount guaranteed, the tournament prize pool will be increased by the excess funds.

Added Prize Pool

North Coast Casino may add additional funds to a tournament prize pool amount, ranging in value from \$1 to \$25,000 in the form of cash. In this case, the tournament prize pool will be paid to the player(s) from the buy-ins, re-buys, and add-ons, as well as the additional monies added to the tournament prize pool.

Tournament Prize Structure

When the prize is not guaranteed, the prize structure will be broken down by the number of paid entries and percentage paid. The percentage paid out will always equal 100%. In the event the players decide to forgo the payout structure and "split" the total prize pool among them, it shall be permitted and shall be noted in detail on the Casino's tournament log.

Additional Tournament Prizes

North Coast Casino may add additional non-cash prizes to a tournament prize pool, ranging in value from \$1 to \$25,000. In this case, the cost of the non-cash prize will be either fully funded by the Casino or reimbursed from the player(s) buy-ins, re-buys, and add-ons in the amount equivalent to the cash value of the non-cash prize. However, if the total of the player(s) buy-ins, re-buys, and add-ons exceeds the value of the non-cash prize, the excess amount of money exceeding the value of the non-cash prize will also be awarded to the winning player(s). If the total of the buy-ins, re-buys, and add-ons (if applicable) does not equal the value of the non-cash prize, North Coast Casino will cover the shortfall.

Entities Involved Other than the House

North Coast Casino shall not allow other entities to become involved in the play of poker tournaments at their gambling establishment.

No Limit Bad Beat Progressive Jackpot

- There is no restriction on the number of times a player may qualify for or win a prize.
- Casino employees are eligible to participate when off duty and out of uniform.
- Tournament games do not qualify for this jackpot.

Prize

The progressive jackpot prize pool shall range in value from \$1,000 to \$150,000. The actual jackpot prize pool amount shall depend on the amount the jackpot was originally seeded at and the amount that has accumulated from the daily progressive increase each day. All prizes will be paid by a casino representative once all proper paperwork has been filled out. The casino representative will pay the winners in live casino chips, cash, or a check. All monies collected and paid out shall be tracked both electronically and/or on a handwritten log to be maintained by the casino for examination by regulatory and law enforcement personnel.

- Under no circumstances shall the jackpot pool amount be decreased once predetermined and posted.
- The jackpot prize pool shall increase daily at an amount between \$50 and \$5,000, dependent on the amount of jackpot fees collected during live play.
 - The daily increase amount will come from the reserve fund.
 - If there are not sufficient funds in the reserve fund, the Casino will make up the shortfall and will be reimbursed from the reserve fund once there are sufficient funds.
- The daily jackpot prize pool increase shall be done at a predetermined and designated time.
- The jackpot prize pool will have a predetermined and posted cap that shall range in value from \$25,000 and \$150,000.
- The Casino may choose to increase the jackpot pool amount above the posted amount at any time (within the minimum and maximum prize amount limits above) with advanced notice to patrons for predetermined, posted and limited designated time period.
- Patrons shall be given ample notice of the actual jackpot pool prize amount. Furthermore, the amount of the progressive jackpot prize pool shall be displayed prominently within the Casino at all time the jackpot is being offered for play.

Prize Multiplier

Prize Multiplier is an optional element of the No Limit Bad Beat Progressive Jackpot prize. The Prize Multiplier element allows the Casino to increase the total prize amount by multiplying the prize pool amount by a predetermined and posted multiplier. The multiplier will range between 2x and 4x. The Casino will be able to offer the Prize Multiplier during specific, days, hours, game limits, or tables as long as it is predetermined and posted. Prizes will be awarded as normal and according to the selected prize structure option.

- The posted jackpot prize pool amount will not change when the Prize Multiplier is being offered, as the amount is calculated from the posted prize pool amount.
- The posted amount that is shown on the jackpot prize pool will be paid from the jackpot prize pool, the other multiplier part will be paid from the reserve fund.
 - In the event there are insufficient funds in the reserve fund, the Casino shall cover any shortfall and shall be reimbursed once the reserve is sufficient and funds become available.

Example: a Prize Multiplier may be offered from 6:00pm to 10:00pm every Monday night, in Texas Hold'em limit games only. If the Prize Multiplier is advertised as 4x and the jackpot hits when the progressive prize pool reads \$50,000, the prize will be multiplied by 4, and the total

 - If there is an odd number of chips the casino will make up the short fall and will be reimbursed from the reserve fund once there are sufficient funds.

Funding

The No Limit Bad Beat Progressive Jackpot consists of a player-funded progressive prize pool. During all eligible games, when five or more players are dealt in on a hand, a \$1 jackpot fee is taken from the pot and then placed in a separate and locked jackpot fee box, which will be apart from the regular house collection fees.

The Casino shall initially seed the jackpot with an amount ranging between \$1,000 and \$75,000. When the jackpot prize has been awarded, the jackpot prize pool will be re-seeded at an amount between \$1,000 and \$149,500, from the reserve fund. If there are not sufficient funds in the reserve fund, the casino will make up the short fall.

The jackpot prize pool shall increase daily at an amount between \$50 and \$5,000, dependent on the amount of jackpot fees collected during live play at all eligible tables. The daily jackpot prize pool increase shall be done at a predetermined and designated time. The daily increase to the jackpot prize pool will come from the reserve fund. If there are not sufficient funds in the reserve fund, the casino will make up the short fall.

Additionally, whenever the Casino is required to seed the jackpot prize pool or cover a shortfall due to inadequate funds in the reserve fund, the Casino shall be repaid from the reserve fund once sufficient funds become available.

All fee collections and table limits for the designated controlled game are Bureau approved, predetermined and posted at each table.

Administrative Fees

The Casino shall retain an administrative fee of \$5 to \$20 per table per hour. The administrative fee shall be taken from the reserve fund. This fee shall cover the costs associated with prizes, administering and accounting for the jackpot.

No Purchase Necessary

The No Limit Bad Beat Progressive Jackpot shall be offered to customers who wish to participate for free, on a general and indiscriminate basis, with **no restrictions**. The Casino shall provide No Purchase Necessary tables for all patrons who request to participate in the gaming activity without paying a table fee or placing a live wager. All advertisement material shall state "No Purchase Necessary" when referencing the No Limit Bad Beat Progressive Jackpot. This requirement extends to all forms of advertising including electronic message boards, computer monitors, posters, and flyers.

Bureau Requirements

Advertising

North Coast Casino may advertise various names for this gaming activity. Should the Casino advertise a different name, the BGC ID (GEAR-001448) shall be referenced on all advertisements relating to this gaming activity.

Furthermore, all rules and procedures for the gaming activity, including but not limited to the following, shall be prominently displayed or readily available in North Coast Casino at all times the gaming activity is being offered for play:

- Eligible games and time periods
- Match play, free play, or one-time free play chips or coupons value(s)
- Procedures to redeem vouchers for match play, free play, or one-time free play chips
- Collection fee procedures
- Any other restrictions that apply to this gaming activity

Eligible Controlled Games

The Promotional Chips promotion shall be attached to all Bureau approved California games offered at North Coast Casino at all times the gaming activity is being offered for play. All controlled game rules shall be played as approved by the Bureau.

Object and Summary

Patrons are awarded match play, free play, or one-time free play coupons, vouchers, or chips via hand-outs, advertisements in magazines, websites, mailing advertisements, and transportation to the Casino via the Casino's bus system. When a patron receives a match play, free play or one-time free play voucher, they shall take the voucher to the cage or casino representative for verification, logging, and redemption. The casino representative in the cage will then exchange the voucher for the corresponding promotional chip or coupon, which can then be used for play. Players who receive a match play chip or coupon will be eligible to win the specific amount printed on the chip or coupon if they place a wager on an eligible game equal to or greater than the amount listed on the match play chip or coupon. Players who receive a free play or one-time free play chip or coupon will be eligible to win the specific amount printed on the chip or coupon on an eligible game equal to the amount listed on the free play or one-time free play chip or coupon. Players may add live chips to a free play or one-time free play chip or coupon.

Match Play Chips and Coupons

- North Coast Casino will offer match play chips or coupons having a face value of \$1 to \$10,000 per chip or coupon. The amount will be clearly stated on the chip or coupon.
- Match play chips and/or coupons can be played on any Bureau approved California game unless otherwise advertised. If there are any limitations to which game(s) a match play chip or coupon can be used on, each chip or coupon will state the specific qualifying game(s) that the chip or coupon may be used on.
- The player must place the match play chip or coupon on the table and must place a wager equal to or greater than the amount of the match play chip or coupon. Match play chips and coupons shall not be taken into the house dealer's tray, nor shall they be paid from the house dealer's tray.
- When the player uses a match play chip or coupon and the hand wins, the player will be paid for the total wager (live casino chip(s) plus the match play chip or coupon value)

Promotional Chips

and the used match play chip or coupon is collected by the house dealer and dropped into the drop box for accounting purposes.

- When the player uses a match play chip or coupon and the hand loses, the player will only lose their original wager and the used match play chip or coupon is collected by the player-dealer. Match play chips and coupons are given to a casino representative and is taken to the cage, logged, and exchanged for the value listed on the chips or coupons. The exchanged value (in live chips) is then brought back to the player-dealer.
- If the player pushes (receives no action), the chip or coupon may be played again until the player wins or loses a hand.

EXAMPLE: *A person receives a match play chip with a value of \$5 that specifically states it may be used to place a wager on the North Coast Baccarat table. The person would place the match play chip on the gaming table; place a bet that is at least the amount on the match play chip, and pay the posted collection (if applicable) for a single hand of play. The collection fee is based on the combined total of the wager and the match play chip. If the player wins the hand, they will receive \$10 just as if they had placed a \$10 bet and the player-dealer will collect the match play chip.*

Free Play Chips and Coupons

- The Casino will offer free play chips or coupons having a face value from \$1 to \$10,000 per chip/coupon. The free play chips or coupons are used in live games exactly like regular chips, the difference being that they cannot be exchanged for cash. The amount will be clearly stated on the chip or coupon.
- Free play chips and/or coupons can be played on any Bureau approved California game unless otherwise advertised. If there are any limitations to which game(s) a free play chip or coupon can be used on, each chip or coupon will state the specific qualifying game(s) that the chip or coupon may be used on.
- Free play chips or coupons shall be used as the player's bet and placed on the betting circle. Free play chips or coupons shall not be taken into the house dealer's tray, nor shall they be paid from the house dealer's tray.
- When the player uses a free play chip or coupon and the hand wins, they would be paid in live casino chips by the person in the player-dealer position just as if they had placed a normal wager. The free play chip or coupon may be played again until the player loses the hand.
- When the player uses a free play chip or coupon and the hand loses, the free play chip or coupon is forfeited and will be collected by the player-dealer. The player-dealer will then have a casino representative verify that the chip or coupon has been played. Vouchers are given to a casino representative and is taken to the cage, logged, and exchanged for the value listed on the chips or coupons. The exchanged value (in live casino chips) is then brought back to the player-dealer.
- If the player pushes (receives no action), the chip or coupon may be played again until the player wins or loses a hand.

EXAMPLE: *A player receives a free play chips or coupons coupon for \$10 that specifically states it can be used to place a wager on the North Coast Baccarat table. The player would then place the free play chips or coupons on the gaming table, pay the posted collection (if applicable), and the game would play.*
