This is a protective filing. The Applicants defined below are Delaware limited liability companies. Because the Applicants are part of an integrated nonprofit healthcare system that includes a nonprofit Ohio corporation as the ultimate parent entity, and the applicability of 11 Cal. Code Reg. Section 999.5(d)(1)(A) et seq. to the Existing Operators or the transactions described herein is unclear, the Existing Operators are submitting this Notice of Proposed Submission and Request for Consent ("Notice") out of an abundance of caution as a protective measure. If the Office of the Attorney General, California Department of Justice, Charities Trust Division, determines that the transactions described herein are not reviewable, the Existing Operators respectfully request that such determination be confirmed in writing to Existing Operators as soon as possible.

11 Cal. Code Reg. Section 999.5(d)(1)

Each Applicant is an indirect subsidiary of HCR Manorcare, Inc., an Ohio not-for-profit corporation (“HCR”). HCR is the survivor of a merger between HCR and HCR Manorcare, Inc., a for-profit corporation of the same name, which operated on a for-profit basis from its formation until 2018. As part of a transaction described below, HCR applied for and obtained a determination letter from the U.S. Internal Revenue Service dated March 20, 2019 recognizing HCR as exempt from federal income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended; the IRS exemption was effective April 20, 2018. HCR, in turn, is a wholly owned subsidiary of ProMedica Health System, an Ohio not-for-profit corporation that has also been recognized as exempt from federal income tax under Section 501(c)(3) of the Code (“ProMedica”).

In 2018, ProMedica acquired HCR and charted a new course of care for the nation’s aging population. ProMedica Senior Care is a not-for-profit, mission-based, health and well-being organization working to create a stronger, more cohesive approach to delivering care at the right place, right time and right cost. There is a basic understanding that the health and well-being of patients not only occurs within the walls of a particular facility, but outside factors need to be considered as well. ProMedica is bringing new ideas, innovative partnerships and momentum to change where and how health care can be delivered. ProMedica’s stewardship of resources has enabled wise investment in quality patient-centered care, advanced technology, innovative programs and family-oriented facilities like the Facilities that help to ensure that patients and area residents have access to high-quality, safe care in the most appropriate setting. In ProMedica facilities, including the Facilities, nurses and physicians work collaboratively to manage complex medical conditions, providing cardiology, neurology, oncology, pulmonary, orthopaedic and wound care services. Rehabilitation services provide patients with the tools they need to function at their highest potential. These services including physical and occupational therapies, as well as speech and language pathology. ProMedica facilities provide long-term care assistance 24 hours a day to those who

meet the skilled nursing requirements and cannot live independently and additional services such as palliative and hospice care can also be provided. In 2021, ProMedica facilities provided over 5,340,836 case days to patients and residents.

Each Applicant subleases the applicable Facility property ("Leased Property") from its affiliate, HCR III Healthcare, LLC ("HCR III"), which, in turn, leases the Leased Property from the owners of the Leased Property (collectively, "Existing Property Owners") pursuant to a master lease between Existing Property Owners and HCR III (the "Master Lease"). The Existing Property Owners of the Leased Properties are as follows:

Facility Name	Existing Property Owner	Existing Operator
<i>ManorCare of Palm Desert</i>	<i>74350 Country Club Drive CA Owner LLC</i>	<i>Manor Care of Palm Desert CA, LLC</i>
<i>ManorCare Health Services-Fountain Valley</i>	<i>11680 Warner Avenue CA Owner LLC</i>	<i>Manor Care of Fountain Valley CA, LLC</i>
<i>ManorCare Health Services-Citrus Heights</i>	<i>7807 Upland Way CA Owner LLC</i>	<i>Manor Care of Citrus Heights CA, LLC</i>
<i>ManorCare Health Services-Hemet</i>	<i>1717 West Stetson Avenue CA Owner LLC</i>	<i>Manor Care of Hemet CA, LLC</i>
<i>ManorCare Health Services-Sunnyvale</i>	<i>1150 Tilton Drive CA Owner LLC</i>	<i>Manor Care of Sunnyvale CA, LLC</i>
<i>ProMedica Skilled Nursing and Rehabilitation (Rossmoor)</i>	<i>1226 Rossmoor Parkway CA Owner LLC</i>	<i>Manor Care of Walnut Creek CA, LLC</i>
<i>ProMedica Skilled Nursing and Rehabilitation (Tice Valley)</i>	<i>1975 Tice Valley Boulevard CA Owner LLC</i>	<i>Manor Care-Tice Valley CA, LLC</i>

Under the terms of the Master Lease, Existing Property Owners have the right to transfer, assign, mortgage, collaterally assign or otherwise dispose of its interest in the Master Lease or the Leased Property. As of the date hereof, the Existing Property Owners are currently owned 100% by SNF CA Holdco, LLC which is owned 100% by WELL PM Holdco JV, LLC, a for profit entity and an affiliate of Welltower Inc. ("Welltower"). Following the receipt of approvals, SNF CA Holdco LLC will be contributed to a for-profit joint venture between Welltower Inc. ("Welltower") and Integra WIP Member LLC ("Integra"). While each Applicant holds the license and operating contracts associated with the applicable Facility, and employs the personnel necessary to operate such Facility, the Applicants do not own any of the underlying assets used for the operation of the Facilities.

The Facilities have suffered increasing financial distress from and after 2020 and are operating at a loss. These losses can be attributed to several factors, including: (1) government reimbursement (Medicare and MediCal) rates that continue to lag behind inflation; (2) labor shortages that drive up wage rates and force providers to rely on expensive agency staffing; (3) increasing capital improvement and repair costs; and (4) the COVID pandemic, including lock-downs and bans on new admissions. Following extensive discussion and negotiation with Welltower, Welltower and ProMedica determined the Facilities needed to be transitioned. Welltower subsequently entered into a transaction with Integra WIP Member, LLC and certain of its affiliates (collectively, "Integra"), pursuant to which Welltower and Integra would agree to transfer the ownership of one hundred forty-seven (147) skilled nursing facilities, including the Facilities (collectively, the "Portfolio"), to new real estate holding companies. Pursuant to that series of transactions, Integra has the right to become, or to designate another entity to become, the new operator of the Facilities. The right to designate the new operator of the Facilities rests solely with Integra, not Welltower or ProMedica. Integra has designated the following entities to be the new operators of the Facilities (each, a "New Operator" or "Transferee" and collectively, the "New Operators" or "Transferees"):

Facility Name	Existing Operator	New Operator
<i>ManorCare of Palm Desert</i>	<i>Manor Care of Palm Desert CA, LLC</i>	<i>Palm Desert Community Healthcare, LLC</i>

Facility Name	Existing Operator	New Operator
<i>ManorCare Health Services-Fountain Valley</i>	<i>Manor Care of Fountain Valley CA, LLC</i>	<i>Fountain Valley Community Healthcare, LLC</i>
<i>ManorCare Health Services-Citrus Heights</i>	<i>Manor Care of Citrus Heights CA, LLC</i>	<i>Citrus Heights Community Healthcare, LLC</i>
<i>ManorCare Health Services-Hemet</i>	<i>Manor Care of Hemet CA, LLC</i>	<i>Hemet Community Healthcare, LLC</i>
<i>ManorCare Health Services-Sunnyvale</i>	<i>Manor Care of Sunnyvale CA, LLC</i>	<i>Sunnyvale Community Healthcare, LLC</i>
<i>ProMedica Skilled Nursing and Rehabilitation (Rossmoor)</i>	<i>Manor Care of Walnut Creek CA, LLC</i>	<i>Walnut Creek Community Healthcare LLC</i>
<i>ProMedica Skilled Nursing and Rehabilitation (Tice Valley)</i>	<i>Manor Care-Tice Valley CA, LLC</i>	<i>Tice Valley Community Healthcare, LLC</i>

In accordance with the terms of the real estate transactions described above, Applicants and New Operators have entered into that certain SNF Operations Transfer Agreement dated as of May 4, 2023 (the “OTA”) pursuant to which New Operators have agreed to assume operational responsibility for the Facilities on the terms and conditions set forth in the OTA, including the satisfaction of all closing conditions set forth in the OTA. A copy of the OTA is provided in the subsection of this Application responsive to H&S Code Section 999.5(d)(1)(B).

As an organization focused on acquiring healthcare real estate assets nationwide, Integra has successfully acquired most of the Portfolio which includes facilities across several states. Having successfully transitioned 114 facilities to new operators since December 22, 2023, Integra has shown its ability to identify optimal, local partners that will strive to improve the quality of care at each facility and transform struggling facilities into successful ones. Integra’s principals have a proven, decades-long success record in owning and operating award-winning healthcare facilities across a variety of platforms and sub-asset classes. With a special passion for elder care, their track record of improving outcomes for patients by investing in building upgrades and cutting-edge patient care technology has allowed them to raise the standard of care throughout the healthcare industry.

Each of the New Operators is a newly-formed subsidiary of Providence Group, Inc. (“PGI”). PGI’s other subsidiaries currently operate facilities throughout California, and have, for over a decade, built a track record of success. PGI affiliated-facilities are locally operated and focus on providing quality care, investing in their facilities and serving their communities.

The Facilities

Each Facility provides individualized post-hospital skilled nursing care in a comfortable environment. Each Facility’s clinical and therapy care teams are experienced in providing specialized care focused on each resident’s needs, interests and abilities. This commitment results in a smoother and safer transition throughout each resident’s recuperation. Each Facility is designed to provide the specific care that residents need and features both a Medbridge dedicated short-term care unit as well as long-term care residential options. Amenities at each Facility include private or semi-private rooms, TVs and internet access, lounges and activity areas, full-service dining options, guest/resident phones, housekeeping services, laundry and linen service, as well as a range of activities. Some typical weekly activities include recreational and leisure activities, group outings, horticulture, arts and crafts, religious and cultural celebrations, social hour and current events.

The Facilities demonstrate ProMedica’s mission and core values by providing high-quality health care to all eligible patients regardless of their race, creed, sex, national origin, disability or age. The Facilities also provide patients with home assessments and community resources for a safe and healthy transition home. In addition, as we continue to navigate through the COVID-19 pandemic and address workforce challenges,

the Facilities work with ProMedica's social determinants of health team to help assess employee needs such as transportation, access to nutritious food and child care. Facilities also grant patient and resident wishes through the Hearts' Desire Program and continue to facilitate long distance visits through the hundreds of iPads that were acquired to keep residents and patients engage with the outside community during the COVID-19 pandemic.

Additionally, the Facilities have offered open houses including health screenings, participated in community health related educational events such as health and wellness fairs, drives to collect donations and community-based holiday celebration activities, and have served as clinical training sites for nursing students and plan to continue or restart these activities as COVID-19 protocols allow. More specifically, in 2021, ProMedica continued to offer community health related educational events such as reducing stress and health and wellness through virtual and online education. Also in 2021, facilities hosted drives to collect donations such as food for nonprofit organizations. Throughout the year, facilities were proactive in protecting and engaging patients with activities such as events with family, community entertainment and pet therapy.

Most of the Facilities' reimbursement comes from Medicare and Medi-Cal. In fiscal year 2022, the Facilities maintained an average census of approximately 764 of bed capacity with an average length of stay of 47.3 days. Approximately 8.61% of patient care days were reimbursed by Medi-Cal, 57.45% by Medicare and 33.94% by commercial and other payors. The Facilities generated an average of \$17,599,872 in operating revenue during fiscal year 2021, resulting in an average \$3,914,111 operating loss.

Overview of the Transaction – Operations Transfer Agreement

Applicants submit this Notice of a proposed transaction that involves the transfer of operations of the Facilities from Existing Operators to New Operators (the "Transaction"). The terms and conditions of the transfer are set forth in the OTA.

Key Terms of the OTA include:

1. Orderly Transition of the Facility. The OTA is designed to effectuate an orderly and smooth transition of operational responsibility of the Facilities with particular care and focus on resident care and continuity of high quality operations.
2. Assignment and Assumption of Resident Trust Funds and certain Operating Contracts. At closing, the OTA contemplates that each Existing Operator will transfer or assign all rights and access to Resident Trust Funds to the corresponding New Operator, who will assume and agree to be bound by the terms and conditions thereof post-closing for the benefit of the applicable Facility's residents. The OTA further contemplates that each Existing Operator will assign, and the corresponding New Operator will assume and agree to be bound by, all of the terms and conditions of any Assumed Operating Contracts (as defined in the OTA).
3. Employees. Each New Operator will offer to employ Facility employees as of the closing date with wages, benefits and other terms and conditions of employment that are reasonably acceptable to New Operators. New Operator will recognize for each hired employee his or her original hire date, grant credit for service with Existing Operators under all benefit policies maintained by New Operators for the benefit of the hired employees for the purposes of participation and benefits accrual to the extent allowed by each New Operator's benefit policies, and will continue to employ each such employee for a period of no less than ninety (90) days following the closing date except as otherwise provided in the OTA.

INTERIM MANAGEMENT AND OTHER COVENANTS

A. **Change of Ownership Filings.** New Operators shall use commercially reasonable efforts to file or cause to be filed all applications (the “**CHOWs**”) with the applicable government department or agency having jurisdiction over the licensing of each Facility as a skilled nursing facility, and/or other applicable designation in the state where the Facilities are located (the “**Agency**”) within sixty (60) days after the Agreement Date, and will make all other notices or applications of change of ownership or other similar applications and notices (including but not limited to notices or applications related to certificates of need) required by any Governmental Entity having jurisdiction over the Facilities to obtain all permits, approvals, authorizations and consents of all such Governmental Entities required to consummate the transactions contemplated by this Agreement within all applicable legally required timeframes; provided, that in the case of the CHOW application, the foregoing shall be conditioned on Existing Operators having provided all Facility information reasonably necessary to apply for the CHOWs. Without limiting the foregoing, New Operators shall diligently pursue the CHOWs (including but not limited to using commercially reasonable efforts to promptly responding to licensing authority requests for information, to the extent such information is reasonably available; if such information is not reasonably available for New Operators, then New Operators shall use commercially reasonable, best efforts to obtain such information and respond to the licensing agency’s request using commercially reasonable efforts). Except as expressly permitted by this Agreement, New Operators further acknowledge that they will operate the Facilities under new names from and after the Operations Closing Date, it being the understanding of the Parties that the Facilities’ existing names are an Excluded Asset being retained by Existing Operators, and that any regulatory filing will accurately reflect each Facility’s new name. Existing Operators agree to cooperate with New Operators in filing any applications or forms necessary to facilitate a change of ownership in favor of New Operators, including, but not limited to, CMS’ 855A form. To the extent applicable, New Operators will also provide to Existing Operators a copy of all pre-closing notices from the Agency authorizing the closing of the transaction with respect to the CHOWs, provided that New Operators will be entitled to redact any personal information of officers, directors, or managing employees.

B. **Facility Access.** After the Agreement Date and prior to the Operations Closing Date, Existing Operators will permit New Operators and their authorized representatives to have access to the Facilities, employees, and the books and records of the Facilities, at reasonable times and in a manner so as not to interfere with the normal business operations of Existing Operators, subject to applicable regulations and guidelines, including, without limitation, regulations and guidelines promulgated by any governmental agency, including, without limitation, those implemented as a result of COVID-19 and the related pandemic, whether in currently in effect or put into effect after the Agreement Date. Existing Operators agree to cooperate with New Operators, and New Operators agree to cooperate with Existing Operators, to effect an orderly transfer of the operations of the Facilities. Each of the Parties hereto shall execute and deliver, at the reasonable request of the other Parties hereto, such additional documents, instruments, conveyances and assurances and take such further actions as such other Parties may reasonably request to carry out the provisions hereof and give effect to the transactions contemplated by this Agreement.

C. **Interim Operations of the Facility prior to the Operations Closing Date.** From the Agreement Date until the Operations Closing Date, Existing Operators shall: (i) operate each Facility in the ordinary course of business in the current manner and in material compliance with all applicable Laws, subject to applicable regulations and guidelines, including, without limitation, regulations and guidelines promulgated by any government agency, including, without limitation, those implemented as a result of COVID-19 and the related pandemic, whether in currently in effect or put into effect after the Agreement Date; (ii) maintain each Facility and continue to make ordinary repairs, replacements and maintenance with respect to such Facility (including, without limitation, all machinery, sprinkler systems, air conditioners, equipment, partitions and fixtures); (iii) utilize its commercially-reasonable efforts to maintain each

Facility's licensure status and Medicare and Medicaid provider agreements; (iv) preserve the goodwill with all of the suppliers, residents and others having business relations with Existing Operators or the Facilities; (v) maintain in force or renew on substantially similar terms the existing hazard general liability and professional liability insurance policies as are now in effect for the Facilities; (vi) pay all taxes or other obligations and liabilities, which are due and payable with respect to the Facilities and Purchased Assets arising from operating the Facilities prior to the Operations Closing Date; (vii) maintain its normal inventory of Supplies, which shall be in quantities consistent with legal requirements and past practices for operation of the Facilities; (viii) prior to the end of each calendar month, provide New Operators with a resident census report for the previous calendar month; (ix) not transfer any employees and shall not transfer any residents to any business or facility owned or controlled by an affiliate of an Existing Operator, unless required to comply with legal requirements and (x) use commercially reasonable efforts to market the Facilities in a manner consistent with past practice. Existing Operators shall provide New Operators notice of any failure to materially comply with this Section III.C within five (5) Business Days after such event of non-compliance.

ARTICLE IV

RESTRICTIVE COVENANTS

A. From the Agreement Date until such date that is twenty-four (24) months following the Operations Closing Date, Existing Operators shall not, and shall not permit any of their affiliates to: (i) directly or indirectly, hire, solicit, or entice any employees currently employed at any of the Facilities as of the Agreement Date, Hired Employees or any other employee of New Operators or their affiliates or encourage any such Hired Employee(s) or other employees of New Operators or their affiliates to leave such employment or hire any such Hired Employee or other employee of New Operators who has left such employment; (ii) directly or indirectly solicit, or entice any resident of the Facilities to leave the Facilities; and (iii) within a twenty five (25) mile radius surrounding each Facility, directly or indirectly open, own, operate, lease, or manage a skilled-nursing or similar facility that, in the reasonable discretion of New Operators, competes with a Facility, other than any facility that is owned, operated, leased or managed by an affiliate of Existing Operator as of the Agreement Date.

B. Existing Operators acknowledge that a breach or threatened breach of this Article IV. would give rise to irreparable harm to New Operators, for which monetary damages would not be an adequate remedy, and hereby agree that in the event of a breach or a threatened breach by any Existing Operator of any such obligations, New Operators shall, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to seek equitable relief, including a temporary restraining order, an injunction, specific performance and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond). Existing Operators acknowledge that the restrictions contained in Article IV are reasonable and necessary to protect the legitimate interests of New Operators and constitute a material inducement to New Operators to enter into this Agreement and consummate the transactions contemplated by this Agreement. In the event that any covenant contained in Article IV should ever be adjudicated to exceed the time, geographic, product or service, or other limitations permitted by applicable law in any jurisdiction, then any court is expressly empowered to reform such covenant, and such covenant shall be deemed reformed, in such jurisdiction to the maximum time, geographic, product or service, or other limitations permitted by applicable Law. The covenants contained in Article IV and each provision hereof are severable and distinct covenants and provisions. The invalidity or unenforceability of any such covenant or provision as written shall not invalidate or render unenforceable the remaining covenants or provisions hereof, and any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such covenant or provision in any other jurisdiction.

C. New Operators and Existing Operators agree and acknowledge that the employees at the

Facilities provide valuable services that are crucial for the success of the Facilities, and New Operators' decision to serve as certified operators of the Facilities is based upon the skills and qualifications of such employees. As such, in the event of a violation of Article IV. A(i) of this Agreement, then the applicable Existing Operator shall pay to the applicable New Operator an amount equal to the greater of (i) Fifty Thousand Dollars (\$50,000.00) or (ii) the annual salary for such Hired Employee as liquidated damages, for each such violation of that section. The parties agree and acknowledge that actual damages with respect to the foregoing would be difficult to ascertain and that such amount is a fair and reasonable approximation of such actual damages.

ARTICLE V

OPERATIONS CLOSING

A. **Operations Closing.** The Operations Closing will take place by wire transfer of funds and electronic delivery of closing documents in a manner mutually agreeable to the Parties on the Operations Closing Date, which date shall be a date within five (5) Business Days after satisfaction or waiver of all conditions to Closing pursuant to Section V.D below, or such other date to be mutually agreed upon by the Parties.

B. **Operations Closing Deliveries.** Subject to the terms and conditions set forth herein, at the Operations Closing or as earlier required as set forth below:

1. **Bill of Sale for Regulatory Assets.** Each Existing Operator and New Operator will execute and deliver to the applicable Existing Operator or New Operator the executed Bill of Sale for Regulatory Assets.

2. **Medicaid Bond.** To the extent required by a Medicaid program, Existing Operators shall have provided New Operators with evidence that Existing Operators shall have posted an indemnity bond or a standby letter of credit or provided other security for any such Medicaid liability required by the Agency or other Medicaid authority; provided that it obtains written documentation from the Agency or Medicaid Authority or provides other assurances under applicable Laws that such other security (i) is satisfactory and alleviates the requirement to post a bond or a standby letter of credit or (ii) otherwise prevents New Operators from incurring any liability or obligation for any Medicaid liability of Existing Operators or otherwise related to periods prior to the Operations Closing Date.

3. **Payoff Letters.** No later than three business (3) days prior to the Operations Closing Date, Existing Operator shall deliver to New Operator, to the extent applicable:

(a) Payoff letters duly executed by any secured creditors of Existing Operator, if any, agreeing to the amounts owed in order for such creditors to have been paid in full and to release any liens, mortgages, pledges, deeds of trust, security interests, charges, encumbrances and other adverse claims or interests of any kind ("***Liens***") on any property or assets of Existing Operator in favor of such creditors;

(b) All UCC termination statements, releases of mortgages, and other releases of any Liens, as shall be required, in the commercially reasonable discretion of New Operator and its lenders, to release any such Liens; and

(c) For any Liens in favor of a secured creditor of Existing Operator that will not be paid off on or before the Operations Closing Date, an acknowledgement letter from the applicable creditor acknowledging that: (A) the operations of the Facility will be transferring from Existing Operator to New Operator as contemplated in this Agreement; (B) New Operator will grant its lender a perfected lien on the unpaid accounts receivable with respect to the Facility which relate solely to the period from and

after the Operations Closing Date; (C) in its capacity as a creditor of Existing Operator, such creditor has no interest in, or lien on, (i) the Purchased Assets as of the Operations Closing Date, or (ii) New Operator's accounts receivable, including those funds that may be deposited in the bank accounts of Existing Operator for some time after the Operations Closing Date; and (D) such letter may be relied upon by New Operator's lender and its successors, affiliates, or assigns.

(d) Existing Operator shall execute and deliver to New Operator's lender such reasonable documents related to the foregoing, including, but not limited to, a consent to a collateral assignment of this Agreement, in each case reasonably acceptable to Existing Operator.

C. **[Reserved]**.

D. **Conditions Precedent to Operations Closing.**

1. **Mutual.** Each Party's obligation to consummate the transactions contemplated in this Agreement shall be subject to the following conditions precedent on and as of the Operations Closing Date to the reasonable satisfaction of such Party or the waiver thereof by such Party, which waiver shall be binding upon such Party only to the extent made in writing and dated as of the Operations Closing Date:

(a) **Closing of the Real Estate Transaction.** The Real Estate Transaction shall have been consummated.

(b) **No Proceeding.** No regulatory authority will have enacted, issued, promulgated, enforced, entered, proposed or introduced any Laws that has, or would have, the effect of making the transactions contemplated by this agreement illegal or otherwise restraining or prohibiting the consummation of such transactions.

(c) **No Default.** The covenants and agreements contained in this agreement to be complied with by both parties at or before the Operations Closing will have been materially complied with.

(d) **California Attorney General Consent.** Existing Operators shall have received consent, conditional or otherwise, from the Attorney General of the State of California regarding the transactions contemplated by this Agreement.

(e) **Licensure.** A license to operate each Facility will have been issued to New Operator by the Agency effective on the Operations Closing Date or New Operator shall have received written assurance from the Agency, in form and substance acceptable to New Operator, authorizing the Parties to proceed with the change of ownership contemplated herein.

2. **New Operator's Conditions Precedent to Operations Closing Date.** New Operator's obligation to proceed with the Operations Closing shall be subject to the following conditions precedent on and as of the Operations Closing Date to the reasonable satisfaction of New Operator, or the waiver thereof by New Operator, which waiver shall be binding upon New Operator only to the extent made in writing and dated as of the Operations Closing Date: There shall not be imposed against Existing Operator or a Facility, nor shall they have received notice of: i) a survey with a citation of an "IJ" or more severe finding, which is outstanding at any time with respect to two (2) or more Facilities; or ii) a ban on admissions or denial of payment for new admissions, which is outstanding at any time with respect to two (2) or more Facilities (collectively, a "**Closing Condition Event**"). In the event that there is a Closing Condition Event with respect to two (2) Facilities (and no more than two (2) Facilities), then New Operator shall close on the five (5) Facilities without a Closing Condition Event (the "**First Operations Closing**").

Date”) and then, upon the Remediation of the Closing Condition Events existing at both of the remaining two (2) Facilities with a Closing Condition Event, New Operator shall close on both of the remaining two (2) Facilities. For the purposes of this Section V.D.2, “**Remediation**” of a Closing Condition Event shall be considered remediated upon the acceptance by the California Department of Public Health (“**CDPH**”) of a plan of correction consented to by New Operator in good faith, which consent shall not be unreasonably withheld, conditioned, or delayed. For the avoidance of doubt, this closing condition only applies to the extent such matters are not remedied or paid prior to the Operations Closing Date. Notwithstanding anything to the contrary, in the event that all other conditions precedent for the Operations Closing have been satisfied and there is a Closing Condition Event at three (3) or more Facilities, New Operators shall not be obligated to proceed with the Operations Closing until there are Closing Condition Events at no more than two (2) Facilities, in which case, the New Operators shall be obligated to proceed with the Operations Closing (assuming all other conditions are met) in accordance with this Section V.D.2.

3. Prior to the Operations Closing Date, if CDPH determines that any New Operator will not be granted a new skilled nursing facility license for the Facility or the California Attorney General determines that consent to transactions contemplated by this Agreement will not be given (each a “**Default Event**”), New Operator agrees to promptly advise Existing Operator and the applicable Facility landlord (each an “**Owner**”) of the Default Event, and New Operator shall thereafter fully cooperate with Existing Operator and Owner in all respects to transition the operations of the Facility to an Approved Replacement Operator selected by Owner in its sole and absolute discretion.

3.1. If pursuant to the terms of Section V.D.3 above, New Operator is required to transition the operations of the Facility to an Approved Replacement Operator, New Operator agrees that it shall continue to perform all such agreements, covenants and obligations of New Operator under this Agreement, until Owner has identified an Approved Replacement Operator and until the date New Operator transfers and relinquishes the Facility to the Approved Replacement Operator.

3.2. In furtherance of the foregoing, New Operator agrees that it shall cooperate fully with Owner and Approved Replacement Operator with respect to the transfer and disposition of the Facility to the Approved Replacement Operator. Such cooperation from New Operator shall include, executing such assignment and other agreements and instruments to assign all of New Operator’s rights, obligations and duties under this Agreement to such Approved Replacement Operator, provided that such assignment of this Agreement is not prohibited by applicable laws. If, however, assignment of this Agreement to the Approved Replacement Operator is prohibited by any applicable laws, then New Operator agrees to continue to operate the Facility under the terms of this Agreement, and cooperate fully with Owner and Approved Replacement Operator, until Approved Replacement Operator has obtained all such approvals and consents required from such regulatory agencies to take over the operations of the Facility.

3.3. As used herein, “Approved Replacement Operator” means a proposed replacement operator for the Facility who is approved by Owner in its reasonable discretion and is reasonably acceptable to Existing Operator.

E. **Closing Costs.** Existing Operators will not be responsible for any bed or provider taxes accruing on or after the Operations Closing Date. All such taxes shall be paid by New Operators. Existing Operators shall be responsible for all bed or provider taxes relating to periods prior to the Operations Closing Date. Each Party is solely responsible for its respective legal, accounting, due diligence, financing, and other professional fees and expenses and the cost of all certificates, instruments, documents and papers required to be delivered, and the cost of all performances required of them to fulfill their obligations hereunder.

F. **Bulk Sales Compliance.** At New Operator's election, New Operator shall deliver to the applicable Governmental Entities (with simultaneous copies to Existing Operators) any notice of bulk sale required by and in accordance with the laws of the states where the Facilities are located. If any such governmental authority notifies New Operators prior to Operations Closing that taxes are due from any Existing Operator ("Owed Taxes"), such Existing Operator shall deposit in escrow with an escrow agent mutually agreed upon by the Parties the specified amount, pursuant to an escrow agreement reasonably satisfactory to New Operators, Existing Operators and Escrow Agent executed and delivered at the Operations Closing. Such withheld amount shall be (i) released to the applicable Existing Operator upon notification from the applicable Governmental Entity that there are no remaining unpaid taxes or (ii) such amount shall be paid at to the applicable Governmental Entity in satisfaction of such unpaid taxes in the event such amounts are required to be paid. Notwithstanding anything to the contrary in this subsection F, to the extent not submitted, Existing Operator shall still be responsible for any such Owed Taxes with respect to periods prior to the Operations Closing Date.

G. **Medicare Advance Payments; other COVID Funds; Retroactive Payments and Adjustments.** Notwithstanding anything in this Agreement to the contrary, and except for those programs announced prior to the Operations Closing Date, any and all grant payments, stimulus payments, retroactive rate adjustments, other retroactive payments or adjustments to reimbursement and any and all other payments and support paid with respect to the Facilities ("**Payments**"), including without limitation in relation to COVID-19 relief efforts ("**COVID Payments**"), even if based on, in return for, or calculated using data for dates of service prior to the Operations Closing Date that are paid on or after the Operations Closing Date, shall be the property of New Operators and shall be retained by and/or paid to the applicable New Operators in the same manner as New Operators' accounts receivable hereunder, subject to applicable Law and provided that such New Operators use any such COVID Payments solely for the benefit of the applicable Facilities and their residents and staff to the extent required for compliance with applicable Law. In the event that Existing Operators receive any COVID Payments following the Operations Closing Date, Existing Operators shall, at the applicable New Operators' election, subject to applicable Law, either: (i) pay such New Operators at Operations Closing a credit equal to 100% of such COVID Payments; (ii) spend such remaining COVID Payments on COVID-19 related expenses such as personal protective equipment in accordance with applicable Law; (iii) some combination of (i) and (ii); or (iv) otherwise cooperate with New Operators to ensure that such COVID Payments are used solely for the benefit of the applicable Facilities and their residents and staff to the extent required for compliance with applicable Law. To the extent that Existing Operators receive any COVID Payments after the Operations Closing Date that are not legally permitted to be transferred to the applicable New Operators for any reason, then Existing Operators shall otherwise cooperate with New Operators to ensure that such COVID Payments are used solely for the benefit of the applicable Facilities and their residents and staff required for compliance with applicable Law, or if New Operators determine that doing so is not legally permissible, then Existing Operators shall return such COVID Payments to the applicable Governmental Entity. In the event that Existing Operators received any advance on Medicare, Medicaid, or other third-party payor receivables ("**Advances**") at any time prior to the Operations Closing Date that has not been repaid to the issuing authority as of the Operations Closing Date, such Existing Operators shall cause such Advances to be repaid to the appropriate Governmental Entity as of the Operations Closing Date. Any Advance requested by an Existing Operator that is paid out on or after the Operations Closing Date shall be considered the applicable New Operator's accounts receivable hereunder, subject to applicable Law and provided that New Operator uses such Advances solely for the benefit of the applicable Facility and its residents and staff to the extent required for compliance with applicable Law; and provided that New Operator causes any such Advances to be repaid to the appropriate Governmental Entity as and when due.-For avoidance of doubt, "**Payments**" other than "**COVID Payments**" under this Article V.G. shall not include outstanding receivables for payments at regular rates in effect (at the time the applicable services were provided) for services provided in the ordinary course prior to the Operations Closing Date, including, without limitation, all cost report adjustments and settlement amounts payable to Existing Operators after the Operations Closing Date, in

each case that are not the result of some retroactive adjustment or other additional payment beyond regular rates in effect at the time the applicable services were provided.

ARTICLE VI **OPERATIONS TRANSFER**

A. **Transfer of Resident Trust Funds.** On the Operations Closing Date, Existing Operators will provide to New Operators a true, correct, and complete accounting (properly reconciled) of the Resident Trust Funds. Existing Operators will deliver the Resident Trust Funds to New Operators on the Operations Closing Date.

1. New Operators agree that they will accept such Resident Trust Funds in trust for the residents of each Facility and will hold and disburse such Resident Trust Funds in accordance with applicable statutory and regulatory requirements.

2. Existing Operators will indemnify, defend, and hold New Operators harmless from all liabilities, claims and demands, including reasonable attorney's fees, in the event the amount of the Resident Trust Funds, if any, transferred to New Operators did not represent the full amount of the Resident Trust Funds shown to have been delivered to Existing Operators as custodian or with respect to any Resident Trust Funds delivered, or claimed to have been delivered, to Existing Operators, but which were not delivered by Existing Operators to New Operators, or for claims that arise from actions or omissions of Existing Operators with respect to the Resident Trust Funds before the Operations Closing Date.

3. New Operators will indemnify, defend and hold Existing Operators harmless from all liabilities, claims and demands, including reasonable attorneys' fees, in the event a claim is made against any Existing Operator due to acts or omissions of any New Operator or its agents or affiliates with respect to the Resident Trust Funds where such funds were transferred to a New Operator pursuant to the terms of Article VI.A hereof.

4. New Operators, as applicable, shall have provided Existing Operators with evidence that such New Operators shall have posted an indemnity bond or a standby letter of credit for the Transferred Resident Trust Funds wherever such security is required by applicable Law.

B. **Cost Reports.** Existing Operators will: (i) file accurate and timely final cost reports relating to the portion of the current fiscal year of the Facilities from the commencement of the fiscal year through the Operations Closing Date (i.e., "short period cost reports") with all applicable regulatory authorities and third party payors in accordance with the terms of all third party payor programs (collectively, the "***Final Cost Reports***"); (ii) provide copies of such Final Cost Reports to New Operators at the time of the filing; and (iii) promptly pay such amounts due and payable, if any, pursuant to the setting of final rates based upon the Final Cost Reports (including any final settlement or audit thereof).

C. **Reimbursement Matters.**

1. As of the Operations Closing Date, New Operators shall assume any and all of Existing Operators' rights and interests in and to Existing Operators' Medicare provider numbers and Medicare provider reimbursement agreements. Existing Operators and New Operators acknowledge and agree that New Operators are not expected to have received their "tie in" notices CMS with respect to Existing Operators' Medicare provider agreements or new Medicare provider agreements as of the Operations Closing Date. New Operators shall be permitted to bill under Existing Operators' Medicare provider agreements and provider numbers until the issuance of the Medicare "tie in" notices. Existing Operators agree to cooperate with New Operators in the assignment of Existing Operators' Medicare

provider agreements to New Operators, including completing those portions of CMS Form 855A that confirm the change of ownership of the Facilities and providing to New Operators or any Governmental Entity any information requested to effect the transfer of Existing Operators' Medicare provider numbers.

2. New Operators shall secure new Medicaid provider numbers and Medicaid provider reimbursement agreements in their own names, either by assumption of the foregoing from Transferee or application for new numbers and agreements as applicable (provided that in the event both assumption or new application are available, New Operators shall elect which to pursue). From and after the Operations Closing Date until any Medicaid provider agreements are obtained by New Operator, to the extent permitted under applicable Law, New Operator may bill for services provided on and after the Operations Closing Date under Existing Operator's Medicaid provider agreements using Existing Operator's Medicaid provider information in accordance with applicable Law. Existing Operators agree to cooperate with New Operators in the issuance of new Medicaid provider agreements to New Operators, including providing to New Operators or any Governmental Entity any information requested to effect the issuance to New Operators of new Medicaid provider numbers and Medicaid provider agreements.

3. With respect to any managed care and commercial third-party payor provider agreements (all of the foregoing, "Other Payors"), New Operators will obtain their own provider agreements (or take assumption of Existing Operator's provider agreements to the extent permitted by the applicable payor), but New Operators shall be permitted to bill under Existing Operators' provider agreements until New Operators have been fully credentialed and approved under their own provider agreements, in each case to the extent permitted by applicable Law; provided, however, that Existing Operators will cooperate with New Operators promptly after the Operations Closing Date and assist New Operators in seeking assignment of Existing Operators' provider agreements or obtaining a new provider agreement. Existing Operator shall not provide any notice or communication to any Other Payors with respect to the transaction set forth herein or otherwise take any action with respect to any cancellation or modification of any payor agreements other than to the extent Existing Operator is clearly required to do so by its contractual obligations to the Other Payors or by applicable Law (a "Required Notice"); provided that with respect to any Required Notice, Existing Operators shall first obtain written approval of New Operators for the contents of any communication to Other Payors, which approval shall not be unreasonably withheld, conditioned or delayed, and shall allow New Operators: (i) a reasonable opportunity to communicate first with the Other Payors prior to the outside Required Notice date or Operations Closing Date, whichever occurs first, and following reasonable prior notice to Existing Operators, or (ii) New Operators shall be able to join a conversation between Existing Operators and the Other Payors. Existing Operators shall be able to request a joint conversation among Existing Operators, New Operators and the Other Payors as it reasonably deems appropriate after any first communication to the Other Payor by New Operators described above.

4. New Operators expressly do not assume, and the assumption by New Operators of Existing Operators' Medicare provider number and agreements shall not be construed to impose upon New Operators, any obligations under Existing Operators' Medicare, Medicaid, managed care, or other third-party payor provider agreements arising from or related to any event occurring prior to the Operations Closing Date, including, without limitation, any Recapture Claim, refund or overpayment due to any third-party payor that is assessed as a result of services rendered by Existing Operators prior to the Operations Closing Date.

5. Nothing set forth herein shall be deemed to limit in any way (i) Existing Operators' right, title, and interest in its cash and accounts receivable for services rendered prior to the Operations Closing Date, which cash and accounts receivable are property of Existing Operators and shall be reimbursed or retained, as applicable, in accordance herewith, and (ii) Existing Operators' ability to complete any remaining billing for services rendered prior to the Operations Closing Date under Existing

Operators' Medicare and Medicaid provider numbers.

6. Existing Operators and New Operators understand that reimbursements from Medicare or Medicaid for items/services provided/rendered after the Operations Closing Date may continue to be issued to Existing Operators for a period of time. Existing Operators shall promptly forward to New Operators any payments received with respect to services rendered by New Operators from and after Operations Closing in accordance with Section 9 hereof. Any amounts not forwarded to New Operator within fifteen (15) days shall accrue interest at a rate of eight (8%) percent per annum.

D. Intentionally Omitted.

E. **Employees.** Existing Operators will deliver to New Operators Schedule VI.E (the "***Employee Schedule***") that reflects: (i) the name of all employees of the Facilities as of the Operations Closing Date, (ii) their positions and rates of pay, (iii) the accrued vacation, sick, holiday, personal time-off, and any other paid time off of all employees that remains unused ("***ETO***"), (iv) the exempt or non-exempt status of each employee (whether or not paid at an hourly or salary rate), (v) each employee's date of hire or commencement of most recent employment and (vi) the number of hours worked by each employee in the preceding twelve (12) months. New Operators shall not be bound by or assume any employment contracts to which Existing Operators may be a party. Other than consistent with past practice or required by law or the terms of any contract existing as of the date hereof, Existing Operators shall not make any material changes in the compensation or benefits of the employees at the Facility prior to the Operations Closing Date.

1. New Operators shall determine, in their sole discretion, which of the employees shall be offered employment with New Operators, pursuant to employment terms reasonably acceptable to New Operators, provided that New Operators shall offer employment to a sufficient number of the Employees as of the Operations Closing Date, so as to avoid any obligation of Existing Operator to provide advance notice under the Worker Adjustment and Retraining Notification ("**WARN Act**") Act, 29 U.S.C. § 2101 et seq. New Operators shall not discharge without cause any Hired Employees (other than the nursing home administrator or the director of nursing) for a period of sixty (60) days after the Employee Transition Date in accordance with California Health and Safety Code Section 1267.62. Further, during that sixty (60) day period, Hired Employees (other than the nursing home administrator or the director of nursing) at the Facility shall not suffer any reduction in wages, benefits, or other terms and conditions of employment as a result of the transfer or change of ownership in accordance with California Health and Safety Code section 1267.62.

2. New Operators and Existing Operators acknowledge and agree that because New Operators are hiring the Hired Employees pursuant to the terms and conditions set forth in subsection 1 immediately above, Existing Operators are not required to give notice to the employees of the Facilities of the "closure" thereof under the WARN Act or under any comparable Law of the state where the Facilities are located. Notwithstanding the foregoing, conditioned upon New Operators' compliance with subsection 1 above, Existing Operators agree to indemnify, defend and hold harmless New Operators from any liability that they may incur under the WARN Act or under comparable state Law in the event of a violation by Existing Operators or New Operators of their obligations thereunder with respect to the termination of employment of any employees by Existing Operator in connection with the consummation of the transactions contemplated hereby. New Operators agree to indemnify, defend and hold harmless Existing Operators from any liability that they may incur under the WARN Act or under comparable state Law in the event of a violation by Existing Operators or New Operators of their obligations thereunder with respect to any termination of employment of any employees by New Operators. Nothing in Article VI will, however, create any rights in favor of any person not a party hereto, including the employees of a Facility, or constitute an employment agreement or condition of employment for any employee of an Existing

Operator or any affiliate of an Existing Operator who is a Hired Employee.

3. Existing Operators shall be responsible for providing COBRA Notices and COBRA continuation healthcare coverage for all “M & A Qualified Beneficiaries” (as that term is defined in Section 4980B of the Code and Title 6 of ERISA and the regulations thereafter (COBRA)) in connection with the transaction as of the Operations Closing Date.

4. **ETO Matters**

a. Existing Operators will, within fourteen (14) days after the Operations Closing Date, pay directly to the employees of each Facility all ETO required to be paid upon termination (for avoidance of doubt, regardless of whether any such amounts are due upon termination of employees under Existing Operators’ policies).

b. As of the Operations Closing Date, New Operators will grant and pay to Hired Employees as and when due all Benefits in accordance with New Operators’ personnel policies, it being agreed that the employees of the Facilities will be granted credit for service with Existing Operators under all benefit policies maintained by New Operators for the benefit of the Hired Employees for the purposes of participation and Benefits accrual to the extent allowed by New Operator’s benefit policies.

c. Existing Operator shall pay to Hired Employees any obligations of Existing Operator that accrue and vest prior to the Operations Closing Date that relate solely to operations of the Facilities prior to the Operations Closing Date.

5. Existing Operators acknowledge and agree that New Operators will have a reasonable opportunity to meet with “**Key Personnel**” including, but not limited to, the administrator, director of nursing, and all department heads within the Facility following the Agreement Date.

F. **Accounts Receivable.** Existing Operators will retain their right, title, and interest in and to all unpaid accounts receivable with respect to the Facilities that relate to any period before the Operations Closing Date, including, but not limited to, any accounts receivable arising from rate adjustments that relate to any period before the Operations Closing Date even if such adjustments occur on or after the Operations Closing Date. Existing Operators will remain liable for any Recapture Claims and any other overpayments made to Existing Operators before the Operations Closing Date for which payment is due to Medicare, Medicaid or any other third party payor on or after the Operations Closing Date.

1. Payments received by New Operators or Existing Operators on or after the Operations Closing Date from any payor will be handled as follows:

(a) If such payments either specifically indicate on the accompanying remittance advice, or if the Parties agree, that they relate to the period before the Operations Closing Date, they will be forwarded to Existing Operators by New Operators, along with the applicable remittance advice;

(b) If such payments indicate on the accompanying remittance advice, or if the Parties agree, that they relate to the period on or after the Operations Closing Date, they will be forwarded to or retained by New Operators, along with the applicable remittance advice; or

(c) If such payments indicated on the accompanying remittance advice, or if the Parties agree, that they relate to periods both before and after the Operations Closing Date, the portion

thereof that relates to the period on and after the Operations Closing Date will be forwarded to or retained by New Operators and the balance will be remitted to or retained by Existing Operators.

(d) For Social Security payments, they will be allocated to the month such payments are received.

(e) Notwithstanding the foregoing, for payments received by Existing Operators from private-pay patients relating to any period on or after the Operations Closing Date, Existing Operators will promptly remit such payments to New Operators.

2. Any payments received during the first thirty (30) days commencing on the Operations Closing Date from or on behalf of private pay residents with outstanding balances as of the Operations Closing Date that fail to designate the period to which they relate, will first be applied by New Operators to reduce the resident's pre- Operations Closing Date balances, with any excess applied to reduce any balances due for services rendered by New Operators on or after the Operations Closing Date. Thereafter all non-designated payments will first be applied to any post- Operations Closing Date balances, with the excess, if any, applied to the extent of any balances due for services rendered by Existing Operators before the Operations Closing Date.

3. Nothing herein will be deemed to limit in any way Existing Operators' rights and remedies to recover accounts receivable due and owing Existing Operators under the terms of this Agreement.

4. All amounts owing to Existing Operators or New Operators shall be remitted on the first (1st) and fifteenth (15th) day (or the next applicable Business Day) of each applicable month, together with applicable remittance advices, provided such transfer date is at least five (5) Business Days following receipt of such payment by Existing Operators or New Operators, as applicable.

5. In the event the Parties mutually determine that any third party payors or private pay residents are entitled to a refund of payments, the portion thereof that relates to the period from and after the Operations Closing Date shall be paid by New Operators and the portion thereof that relates to the period prior to the Operations Closing Date shall be paid by Existing Operators to such third party payor or private pay resident.

6. In the event the Parties mutually determine that any payment hereunder was misapplied by the Parties, the Party that erroneously received said payment will remit the same to the appropriate other Party within ten (10) days after said determination is made.

7. For a period of twelve (12) months after the Operations Closing Date, Existing Operators and New Operators shall provide each other with an accounting setting forth all amounts received during the preceding month with respect to payments from the residents of the Facilities which are due and owing to the other party in accordance with the terms of this Agreement.

8. For a period of twelve (12) months after the Operations Closing Date, each Party will have the right to inspect all cash receipts of the other appropriate Party in order to confirm compliance with the obligations imposed on it under this Article VI.F.

9. Each Party will have the right to offset any such payments for any amounts that are due and owing to it from the other appropriate Party.

G. **Prorations.** Revenues and expenses pertaining to Assumed Operating Contracts, utility charges for the billing period in which the Operations Closing Date occurs, prepaid expenses, taxes and other related items of revenue or expense attributable to the operation of the Facilities will be prorated between Existing Operators and New Operators as of 12:01 a.m. on the Operations Closing Date, provided that expenses related to benefits will be paid directly to the Hired Employees pursuant to Article VI.E. In general, such prorations will be made so as to reimburse Existing Operators for prepaid expense items, and to charge Existing Operators for prepaid revenue items, to the extent that the same are attributable to periods on or after the Operations Closing Date.

1. All such prorations will be made on the basis of actual days elapsed in the relevant accounting or revenue period and will be based on the most recent information available to Existing Operators. Utility charges that are not metered and read on the Operations Closing Date will be estimated based on prior charges, and will be re-prorated upon receipt of statements therefor.

2. All amounts owing from any Party hereto to any other Party hereto that require adjustment after the Operations Closing Date will be settled on the Operations Closing Date and shall be readjusted within ninety (90) days after the Operations Closing Date or, in the event the information necessary for such adjustment is not available within said ninety (90) day period, then as soon thereafter as practicable.

3. Funds received by New Operator which relate to the Quality and Accountability Supplemental Payment (“**QASP**”) owed to Existing Operator for dates prior to Operations Closing Date shall belong to the Existing Operator and shall be remitted by New Operator to the Existing Operator promptly within ten (10) days’ receipt of such QASP from the applicable regulatory agency. The amount of the QASP deemed owed to Existing Operator shall be calculated as follows: the QASP shall be multiplied by a fraction, the numerator of which shall be the number of days the Existing Operator operated the Facility in the year for which QASP are being made and the denominator of which shall be the number of days in the year for which QASP are being made. New Operator and Existing Operator hereby acknowledge that payments made for QASP fees are paid based on the state fiscal year of July 1-June 30 (the “SFY”), and that payments for the prior year are received in approximately April of the calendar year following the SFY. For example, payments made to operators in April 2023 will be for SFY July 1, 2021-June 30, 2022 and payments made to operators in April 2024 will be for SFY July 1, 2022-June 30, 2023. For the avoidance of doubt, New Operator has no obligation to assume any quality assurance fees assessed against the Facility for periods prior to the Operations Closing Date Given that the metrics of the Workforce and Quality Incentive Program (“**WQIP**”) program are not expected to be finalized until late 2022 and possibly mid to late 2023, New Operator and Existing Operator agree to confer in good faith and allocate each parties’ respective entitlements with respect to the WQIP after such payments, if any, have been received from the applicable health plan and/or regulatory agency, which allocations shall be based on each parties respective period of operations.

H. **Access to Records; Cooperation.** On and after the Operations Closing Date, both Parties will grant reasonable and prompt access to any Facility, patient, or employee records as any Party may request. In addition, the Parties agree as follows:

1. Existing Operators will be entitled to any original records delivered to New Operators for purposes of litigation involving a patient or employee to whom such record relates, if an officer of or counsel for Existing Operators certified that such original must be produced in order to

comply with applicable Law or the order of a court of competent jurisdiction in connection with such litigation.

2. New Operators agree to maintain such books, records and other material comprising records of each Facility's operations before the Operations Closing Date that have been received by New Operators from Existing Operators or otherwise, including, but not limited to, patient records and records of Resident Trust Funds, to the extent required by Law and for a period not less than six (6) years, and will allow Existing Operators a reasonable opportunity to copy such documents, at Existing Operators' expense, at such time after such record retention period as may be required by Law as New Operator will decide to dispose of such documents.

3. New Operators agree to fully cooperate with Existing Operators, their agents, attorneys, employees, and other designated representatives in the defense of any claims, lawsuits, investigations, or reimbursement matters now existing or arising from or in connection with events occurring before the Operations Closing Date. In the event that the Operations Closing Date has not occurred within eighteen (18) months after the Agreement Date, Existing Operators shall have the right, but not the obligation, to require the affected New Operators to change the d/b/a of the Facility within sixty (60) days after receiving written notice from Existing Operators, subject to any required regulatory approvals, and following such sixty (60) day prior notice to remove at New Operators' expense all signage that in any way references Existing Operators or the names of the Facilities as in effect on the Agreement Date.

Except as disclosed on Schedule VII.P, Existing Operator has not received any complaint or notice of investigation (in writing or otherwise) from the Department of Health and Human Services Office for Civil Rights, or from any other person, entity or Governmental Entity regarding Existing Operator, the Facility, or, to its knowledge, any of its business associates' uses or disclosures of, or security practices or security incidents regarding, protected health information or HIPAA compliance. With regard to protected health information of the Facility's residents, there have not been to its knowledge any material non-permitted uses or disclosures, security incidents, or breaches involving Existing Operator, the Facility, or its business associates in the six (6) year period immediately preceding the Agreement Date. Existing Operator and the Facility are, and for the past six (6) years have been, in compliance in all material respects with all applicable legal requirements related to reporting to individuals, Governmental Entities, the media, or credit reporting agencies, as applicable, any reportable breaches involving protected health information under HIPAA.

14. Except as permitted by (or otherwise not in violation of) applicable law or regulation, neither the Existing Operator nor any of its members, directors, officers, affiliates or employees is a party to any contract, lease agreement or other arrangement related to the Existing Operator with any physician, physical or occupation therapist, health care facility, hospital, home health agency or other person who is in a position to make or influence referrals to or otherwise generate business for the Existing Operator to provide services, lease space, lease equipment or engage in any other venture or activity.

15. Existing Operator has paid, or will pay prior to the Operations Closing Date, all quality assurance fees and bed taxes, that are attributable to periods on or prior to the Closing Date, with

respect to the Facility to the applicable Governmental Entity, in accordance with its estimated calculations of such amounts consistent with past practices.

16. Existing Operator has not received notice from the Department of Health Care Access (formerly known as the “Office of Statewide Health and Planning Department” or “OSHPD”) (“HCAI”) or any other Governmental Entity, and Existing Operator does not have any other knowledge, that any Facility and/or the use thereof does not comply in all material respects with all applicable local, state, and federal building codes, fire codes, and other similar regulatory requirements and no waivers of such physical plant standards exist at any Facility, and Existing Operator has received any written notice from HCAI or any other Governmental Entity of any non-compliance with any applicable local, state, and federal building codes, fire codes, and other similar regulatory requirements affecting any Facility that remain unresolved. Except as set forth on Schedule VII.P, all HCAI-required permits and/or approvals for all repairs, replacements, refurbishments or improvements within the last two (2) years (“HCAI Work”) at any Facility were received by any Existing Operator in connection with all HCAI Work.

Q. **Absence of Change.** Since the date of the Interim Financial Statement, except as contemplated by this Agreement or as set forth on Schedule VII.Q, (a) the operation of the Facilities has been conducted in all material respects in the ordinary course consistent with past practice, (b) nothing has occurred which would constitute a material adverse effect, (c) all material obligations under the Assumed Operating Contracts have been performed, (d) the Facilities have been marketed and census has been maintained consistent with past practice, (e) no transaction or contractual obligation that would materially adversely impact Existing Operators’ abilities to perform their obligations under this Agreement has been entered into, (f) there has been no change in the condition (financial or otherwise), results of operations, business, prospects, assets or Liabilities of the Existing Operators or with respect to the manner in which the Existing Operators conduct their business or operations which has or is reasonably likely to have individually or in the aggregate, a material adverse effect, and (g) no employees or residents of the Facilities have been transferred to any business or facility owned or controlled by an affiliate of Existing Operators other than to another Facility, unless required to comply with applicable legal requirements or patient choice.

R. **Facilities.**

1. **Condition of the Facilities.** There exists no defective condition, structural or otherwise, with respect to any Facility that would reasonably be considered to interfered with any Existing Operator’s ability to operate such Facility as a skilled nursing facility. No Existing Operator has received any written notice from any insurance company which has issued a policy with respect to a Facility or from any board of fire underwriters (or other body exercising similar functions) and any Governmental Entity or any other third party claiming any defects or deficiencies in such Facility or suggesting or requesting the performance of any repairs, alterations or other work to such Facility.

2. **Sprinklers; Life Safety Code.** There is a sprinkler system at each Facility that is in full operational compliance with all applicable requirements. Each Facility is in compliance with all Life Safety Code and similar requirements related to the structural characteristics of the Facility.

S. **No Implied Representations or Warranties; Disclaimers.** EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS AGREEMENT, EXISTING OPERATORS ENTER INTO THIS AGREEMENT WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY AND EXISTING OPERATORS ARE CONVEYING THE PURCHASED ASSETS AS IS, WHERE IS, AND WITH ALL FAULTS, AND WITHOUT REPRESENTATION OR WARRANTY (ALL OF WHICH EXISTING OPERATORS HEREBY DISCLAIM) AS TO FITNESS FOR ANY PARTICULAR PURPOSE, MERCHANTABILITY,

DESIGN, QUALITY, LAYOUT, PHYSICAL CONDITION, OPERATION, COMPLIANCE WITH SPECIFICATIONS, ABSENCE OF LATENT DEFECTS, OR COMPLIANCE WITH LAWS AND REGULATIONS (INCLUDING, WITHOUT LIMITATION, THOSE RELATING TO HEALTH, SAFETY AND THE ENVIRONMENT) OR ANY OTHER MATTER AFFECTING OR RELATING TO THE CONDITION OF THE PURCHASED ASSETS. NEW OPERATORS HEREBY FURTHER ACKNOWLEDGE AND AGREE THAT, EXCEPT AS SPECIFICALLY SET FORTH HEREIN, NEW OPERATORS ARE RELYING SOLELY UPON THE INSPECTION, EXAMINATION, AND EVALUATION OF THE PURCHASED ASSETS BY NEW OPERATORS, AND NEW OPERATORS WILL HAVE NO RIGHT TO BE INDEMNIFIED BY OR OTHERWISE BRING ANY ACTION AGAINST EXISTING OPERATORS WITH RESPECT TO ANY MATTER AFFECTING OR RELATING TO THE CONDITION OF THE PURCHASED ASSETS, OR ANY PORTION THEREOF. THE PROVISIONS OF THIS ARTICLE VII WILL SURVIVE THE CLOSING.

Article VIII

2. Each New Operator is duly organized, validly existing and in good standing under the Laws of the state in which it has been formed and is duly qualified to do business in the state where the Facilities are located. Each New Operator has the power and authority to enter into this Agreement and all agreements, instruments and documents herein provided and to consummate the transactions contemplated thereby.

3. Neither this Agreement nor any agreement, document or instrument executed or to be executed by New Operators in connection with this Agreement, nor anything provided in or contemplated by this Agreement or any such other agreement, document or instrument, does now or will hereafter breach, invalidate, cancel, make inoperative or interfere with, or result in the acceleration or maturity of, any agreement, document, instrument, right or interest, affecting or relating to New Operators or the Purchased Assets.

B. No Proceedings. There are no claims, actions, proceedings pending, or to the knowledge of New Operators, threatened against any New Operator that are reasonably likely to prevent or materially delay the consummation of the transactions contemplated herein.

C. No Criminal Offense. No New Operator has been convicted of or pleaded guilty or no contest to any criminal offense.

D. False Claims. No director or officer of any New Operator or any employee of any New Operator, acting alone or together, has directly or indirectly within the last three (3) years: (a) given or taken any remuneration, rebates, payments, commissions, or promotional allowances to any customer, supplier, physician, or governmental employee with whom any New Operator has done business; or (b) knowingly and willfully made any false statement of material fact in any application for any benefit or payment.

ARTICLE IX
INDEMNIFICATION AND SURVIVAL

A. **Indemnification by Existing Operator.** Each Existing Operator will hold harmless and indemnify the applicable New Operator and its officers, directors, employees, members, affiliates, designees, successors and assigns from and against any Loss that (i) results from any breach by such Existing Operator of any of its representations, warranties, covenants or agreements in this Agreement or in any certificate delivered in connection with this Agreement, (ii) arises from any tort, general liability, or professional liability claim made by any third party other than any Governmental Entity with respect to the applicable Facility as a result of operation of such Facility prior to the Operations Closing Date, whether such obligation accrues before or after the Operations Closing Date, (iii) arises from any and all claims, including, without limitation, any civil monetary penalties or other fines, suit, action, or other proceeding brought by any Governmental Entities or other third party payors against such New Operator, the Purchased Assets or such Facility, as a result of operation of such Facility prior to the Operations Closing Date, including, without limitation, Recapture Claims and other overpayments made with respect to Medicare, Medicaid and any other third-party payor program, (iv) arises from any other Loss relating to, arising out of or resulting from any liability not expressly assumed by such New Operator hereunder, including the Excluded Liabilities or any activities of such Facility, Existing Operator, and its affiliates prior to the Operations Closing Date, or (v) arises out of any act, event, or omission relating to the operation of the Facility or the Purchased Assets and occurring or arising before the Operations Closing Date or is an Excluded Liability or an Excluded Asset, in each case subject to Article IX.C, or (vi) results from any Other Payors terminating payor agreements with respect to any of the Facilities or otherwise ceasing to make payments with respect thereto, with respect to the transactions set forth herein solely as a result of Existing Operator's breach of its obligations in Article VI.C.3. hereof (provided that Losses for such purpose shall constitute any reimbursement that would have been received from such Other Payors, provided that any amounts indemnified and subsequently recovered by New Operators shall be returned to Existing Operators).

B. **Indemnification by New Operator.** Each New Operator will hold harmless and indemnify the applicable Existing Operator from and against any Loss that (i) results from any material breach of any representations, warranties, covenants or agreements of such New Operator contained in this Agreement or in any document executed in connection with this Agreement; or (ii) arises out of any act, event or omission relating to the operation of the applicable Facility or the Purchased Assets and occurring or arising on or after the Operations Closing Date or is an Assumed Liability, in each case subject to Article IX.C.

C. **Limitation on Indemnification.**

1. Any claim for indemnity pursuant to Article IX of this Agreement must be made in writing by the party to be indemnified (the "***Indemnitee***") to the applicable other party (the "***Indemnitor***").

2. Notwithstanding anything in this Article IX to the contrary, no Indemnitor will not be required to indemnify any Indemnitee pursuant to Article IX.A. or Article IX.B. of this Agreement with respect to any individual claim of liability or damage unless the aggregate amount of all such claims for a Facility exceeds Twenty-Five Thousand Dollars (\$25,000) ("***Indemnity Threshold***"), and then shall be entitled to indemnification for all amounts, including the Indemnity Threshold. However, the indemnification obligations of any New Operator under this Agreement, as Indemnitor, and the indemnification obligations of any Existing Operator under this Agreement, as Indemnitor, respectively, will not exceed an amount equal to \$250,000 (the "***Cap***"). For purposes of this Article IX, in computing

the individual or aggregate amount of claims, the amount of each claim will be deemed to be an amount net of any insurance proceeds and any indemnity, contribution or other similar payments actually paid by a third party to the Indemnatee with respect thereto. Notwithstanding anything to the contrary contained herein, neither the Indemnity Threshold nor the Cap shall apply to (i) an Indemnitor's obligations with respect to claims based upon fraud or intentional misconduct by such Indemnitor, or (ii) any Excluded Liabilities, including, without limitation, Recapture Claims.

3. Notwithstanding anything to the contrary set forth herein, claims for indemnification pursuant to Article IX.A. or Article IX.B. must be made before the two-year anniversary of the Operations Closing Date; provided that such time limit shall not apply to an Indemnitor's obligations with respect to claims based upon fraud or intentional misconduct by such Indemnitor, or any Excluded Liabilities, including, without limitation, Recapture Claims.

D. **Defense of Claims.** In the event any indemnity obligation of an Existing Operator or a New Operator arises hereunder because of a claim of a Loss by a third party, the applicable Indemnatee will promptly provide written notice to the applicable Indemnitor. Such notice shall be given in sufficient time to allow the applicable Indemnitor to defend such claim, but the failure to give such notice in sufficient time shall not constitute a defense hereunder nor in any way impair the obligations of the Indemnitor under this Section except solely to the extent that such failure to so notify such Indemnitor results in the forfeiture by the Indemnitor of rights and defenses otherwise available to the Indemnitor. At the option of the Indemnatee, the Indemnitor may defend such third party claims at its sole cost and expense, or Indemnatee may defend such third party claims on its own and Indemnitor will reimburse Indemnatee all costs and expenses related to such defense. The Indemnatee will cooperate with the Indemnitor in all reasonable respects in the defense of such third party claims.

E. **Sole Remedy.** Except as expressly set forth herein, the indemnities provided for in this Article IX and in Article VI related to the post-closing operations transfer matters will be the sole and exclusive remedy of each Party.

F. **Payments.** Once the amount of a Loss is agreed to by the Indemnitor or finally adjudicated to be payable pursuant to this Article IX, the Indemnitor shall satisfy its obligations within fifteen (15) Business Days of such final, non-appealable adjudication by wire transfer of immediately available funds.

G. **Security of Indemnification Obligations.**

1. As an inducement to the New Operators to enter into and consummate the transactions contemplated under this Agreement, HCR ManorCare, Inc. has executed and will delivered to New Operator on the Operations Closing Date a Pledge Agreement (the "***Existing Operator Pledge Agreement***"). Pursuant to the Existing Operator Pledge Agreement, HCR ManorCare, Inc. has pledged its ownership interest of WELL PM Properties LLC, a Delaware limited liability company, to secure the payment of the indemnification obligations of each Existing Operator hereunder with respect to Excluded Liabilities.

2. As an inducement to the New Operators to enter into and consummate the transactions contemplated under this Agreement, ProMedica Health System, Inc. has executed and will deliver to New Operator on the Operations Closing Date an Indemnification Agreement.

3. As an inducement to the Existing Operators to enter into and consummate the transactions contemplated under this Agreement, Welltower, New Operator Guarantors have executed and delivered to Existing Operator a joint Guaranty Agreement (the "***New Operator Guaranty Agreement***"). Pursuant to the New Operator Guaranty Agreement, New Operator Guarantors shall, jointly, severally,

absolutely, unconditionally, and irrevocably guarantee to the Existing Operators all indemnification obligations of New Operators under this Agreement.

I. **Survival.** The provisions of this Article IX will survive the Operations Closing.

Article X **TERMINATION, EFFECT OF TERMINATION, AND DISPUTES**

A. **Termination.**

1. This Agreement may be terminated prior to the Operations Closing Date with respect to any Facility as follows:

- (a) By any Party if (a) mutually agreed by the Existing Operators and the New Operators; and (b) any Governmental Entity or court with jurisdiction over such matters will have issued a restraining order or otherwise prohibiting the sale of the Purchased Assets hereunder, provided that such was not caused by one of the Parties seeking to terminate this Agreement.
- (b) By New Operators in the event of a material breach by Existing Operators of any representation, warranty, or covenant contained herein that has not been cured within 30 days of receipt of written notice thereof.
- (c) By Existing Operators in the event of a material breach by New Operators of any representation, warranty, or covenant contained herein that has not been cured within 30 days of receipt of written notice thereof.

B. **Effect of Termination; Right to Proceed; Waiver.** In the event of termination of this Agreement with respect to a Facility for any reason, this Agreement will terminate without further liability on the part of any party.

C. **Disputes.** Any controversy, claim or dispute arising out of or relating to the Agreement, as amended, or the subject matter therein or the interpretation, performance or breach of the Agreement, as amended, shall be settled by final and binding arbitration before one arbitrator in Wilmington, Delaware. The arbitration will be initiated and conducted in accordance with the rules of the American Arbitration Association, except as modified herein, in effect at the time the request for arbitration is made. Any decision or award of the arbitrator shall be final, binding and conclusive on the Parties. The Parties may enforce a final arbitration award in any court of competent jurisdiction. The Parties agree to equally split the cost of any arbitration administrative fee and the compensation of the arbitrator.

This Agreement may not be modified or amended except in writing signed by the Parties hereto. No waiver of any term, provision or condition of this Agreement in any one or more instances, will be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act will be construed as a waiver of any term, provision, condition or rights granted hereunder.

E. **Joint Venture; Third Party Beneficiaries.** Nothing contained herein will be construed as forming a joint venture or partnership between the Parties hereto with respect to the subject matter hereof. The Parties hereto do not intend that any third party will have any rights under this Agreement.

with respect to this Agreement or the transactions contemplated hereby, without the prior written consent of the other Parties hereto. I. **Confidentiality.**

1. Existing Operators acknowledge that certain of the information that has been and will be made available pursuant to this Agreement may be proprietary and include confidential information. Existing Operators shall hold all such information about New Operators in confidence and shall not disclose it to any person or entity (other than to their respective representatives, so long as those representatives agree to keep any such information in confidence) without the approval of New Operators supplying such information; provided, however, that the foregoing restriction shall not apply to any information that is, through no fault of Existing Operators, publicly known or which is lawfully obtained from a third party, disclosure to any Governmental Entity in connection with the CHOW, or to any disclosure required by any legal requirement or in connection with the enforcement of Existing Operators' or New Operators' rights under this Agreement.

2. New Operators acknowledge that certain of the information that has been and will be made available pursuant to this Agreement may be proprietary and include confidential information. New Operators shall hold all such information about Existing Operators in confidence and shall not disclose it to any person or entity (other than to their respective representatives, so long as those representatives agree to keep any such information in confidence) without the approval of Existing Operators supplying such information; provided, however, that the foregoing restriction shall not apply to any information that is, through no fault of New Operators, publicly known or which is lawfully obtained from a third party, or to any disclosure required by any legal requirement, disclosure to any Governmental Entity in connection with the CHOW, or in connection with the enforcement of New Operators' or Existing Operators' rights under this Agreement.

3. Each Party recognizes that irreparable injury will result from a breach of this Section XI.I, and that money damages will be inadequate to fully remedy such injury. Accordingly, in the event of a breach or threatened breach of such provisions, a non-breaching party shall be entitled to seek (in addition to any other remedies which may be available to such Party) one or more preliminary or permanent orders (i) restraining and enjoining any act which would constitute a breach or (ii) compelling the performance of any obligation which, if not performed, would constitute a breach.

J. **Specific Performance.** Each Party hereby acknowledges that the rights of each Party to consummate the transactions contemplated hereby are special, unique and of extraordinary character and that, in the event that any Party violates or fails or refuses to perform any covenant or agreement made by such Party herein, money damages may be inadequate and the non-breaching Parties may have no adequate remedy at law. Accordingly, each Party agrees that each other Party shall have the right, in addition to any other rights and remedies existing in its favor, to seek to enforce its rights and the other Party's obligations by an action or actions for equitable relief, including injunction and specific performance; provided,

however, that, except in the case of fraud, no Party shall be entitled to seek money damages other than pursuant to Article IX or as otherwise expressly set forth elsewhere in this Agreement. If any such action is brought by a Party to enforce this Agreement, each other Party, as applicable, hereby waives the requirement for the posting of any bond or similar security

**BILL OF SALE AND
ASSIGNMENT AND ASSUMPTION AGREEMENT**

This Bill of Sale and Assignment and Assumption Agreement is entered into in connection with that certain Operations Transfer Agreement, by and between [_____, LLC, a Delaware limited liability company] ("**Existing Operator**"), and [_____] ("**New Operator**") dated [____], 2023 ("**Agreement**"), pursuant to which Existing Operator has agreed to assign, convey, and transfer to New Operator certain Purchased Assets and Personal Property located at the Facility that are not Excluded Assets. Capitalized terms not otherwise defined will have the meaning set forth in the Agreement.

1. Assumed Operating Contracts. All obligations and liabilities of Existing Operator under the Assumed Operating Contracts, as defined in the Agreement, to the extent such obligations and liabilities relate to any period of time commencing on or after the Operations Closing Date. Notwithstanding the foregoing, to the extent that Existing Operator's rights under any Assumed Operating Contract to be assigned to New Operator hereunder may not be assigned without the consent of another person or entity that has not been obtained, this Agreement will not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof or be unlawful. New Operator at its expense will use its reasonable efforts to obtain each such required consent as promptly as possible. If any such consent is not obtained, New Operator will nevertheless pay and perform Existing Operator's obligations under each such Assumed Operating Contract subject to Existing Operator providing to or otherwise obtaining for New Operator the corresponding benefits thereunder, and the parties will cooperate with one another in any reasonable arrangement proposed by either party to result in such effect, in each case to the extent permitted under applicable Law.

4. Telephone Number. The telephone and facsimile numbers of the Facility.
5. Intangible Property. All rights and interest in the Intangible Property associated exclusively with the Facility.
6. Permits. To the extent transferable under applicable Laws and approved by the appropriate Governmental Entities, all Permits necessary for the operation of the Facility.

New Operator hereby covenants and agrees with Existing Operator that New Operator will duly

execute and deliver, from time to time upon the request of Existing Operator, such other and further assignments, instruments, assumptions, endorsements, or other documents as may be necessary to effectuate the purpose of this document and the intent of the parties as set forth in the Agreement.

New Operator, for itself and its successors and assigns under the Agreement, hereby accepts such assignment and hereby assumes the above listed liabilities and obligations, without limitation.

Existing Operator makes no representations or warranties whatsoever, express, implied, or arising by operation of law, with respect to the Purchased Assets, the Personal Property or the condition of the Purchased Assets or the Personal Property except as set forth in the Agreement

A STATEMENT OF ALL OF THE REASONS THE BOARD OF DIRECTORS OF APPLICANT BELIEVES THAT THE PROPOSED AGREEMENT OR TRANSACTION IS EITHER NECESSARY OR DESIRABLE

As described in Section 999.5(d)(1)(A) of this Notice, the transfer of operations of the Facilities is a component of a larger strategic planning process undertaken by Welltower and ProMedica that involves the transfer of operations of one hundred forty seven (147) skilled nursing facilities in fifteen (15) states. As part of this larger strategic planning process, ProMedica and Applicants have determined that the Transaction is desirable in order to enable the Facilities to continue to provide high quality care to the communities they serve and permit ProMedica to better align its portfolio with its core operational and clinical models that serve other locations in California and across the United States.

11 Cal. Code Reg. Section 999.5(d)(2)

FAIR MARKET VALUE

THE ESTIMATED MARKET VALUE OF ALL CASH, PROPERTY, STOCK, NOTES, ASSUMPTION OR FORGIVENESS OF DEBT, AND ANY OTHER THING OF VALUE THAT THE APPLICANT WOULD RECEIVE FOR EACH HEALTH FACILITY OR FACILITY THAT PROVIDES SIMILAR HEALTH CARE COVERED BY THE PROPOSED AGREEMENT OR TRANSACTION

As described above, the OTA includes the following commitments by the New Operators that will take effect upon closing of the Transaction:

1. Each Existing Operator will transfer or assign all rights and access to Resident Trust Funds to the corresponding New Operator, who will assume and agree to be bound by the terms and conditions thereof post-closing for the benefit of the applicable Facility's residents;
2. Each Existing Operator will assign, and the corresponding New Operator will assume and agree to be bound by, all of the terms and conditions of any Assumed Operating Contracts (as defined in the OTA) with respect to the applicable Facility; and
3. Each New Operator will offer to employ Facility employees as of the closing date with wages, benefits and other terms and conditions of employment that are reasonably acceptable to New Operators. New Operator will recognize for each hired employee his or her original hire date, grant credit for service with Existing Operators under all benefit policies maintained by New Operators for the benefit of the hired employees for the purposes of participation and benefits accrual to the extent allowed by each New Operator's benefit policies, and will continue to employ each such employee for a period of no less than ninety (90) days following the closing date except as otherwise provided in the OTA.

Because the Applicants do not own any of the Facilities' underlying assets, no cash, property, stock, notes, forgiveness of debt, or other monetary consideration is to be received by the Applicants in connection with the OTA.

11 Cal. Code Reg. Section 999.5(d)(2)(B)

THE ESTIMATED MARKET VALUE OF EACH HEALTH FACILITY, FACILITY THAT PROVIDES SIMILAR HEALTH CARE OR OTHER ASSET TO BE SOLD OR TRANSFERRED BY THE APPLICANT UNDER THE PROPOSED AGREEMENT OR TRANSACTION

Please see Section 999.5(d)(2)(A) of this Notice. Because the Applicants do not own any of the Facilities' underlying assets, no cash, property, stock, notes, forgiveness of debt, or other monetary consideration is to be received by the Applicants in connection with the OTA. Additionally, since the Facilities are operating at a loss, there is no business enterprise value for the Facilities.

A DESCRIPTION OF THE METHODS USED BY THE APPLICANT TO DETERMINE THE MARKET VALUE OF ANY ASSETS INVOLVED IN THE PROPOSED AGREEMENT OR TRANSACTION. THIS DESCRIPTION SHALL INCLUDE A DESCRIPTION OF THE EFFORTS MADE BY THE APPLICANT TO SELL OR TRANSFER EACH HEALTH FACILITY OR FACILITY THAT PROVIDES SIMILAR HEALTH CARE THAT IS THE SUBJECT OF THE PROPOSED AGREEMENT OR TRANSACTION

The Transaction is being entered into by Applicants and New Operators as required by the terms and conditions of the transactions by and between Welltower and Integra. As such, no cash, property, stock, notes, forgiveness of debt, or other monetary consideration is to be received by the Applicants in connection with the OTA given that the Applicants do not own any of the Facilities' underlying assets. Additionally, since the Facilities are operating at a loss, there is no business enterprise value for the Facilities.

(h) Reimbursement; Compensation. Each Officer shall be reimbursed for any actual costs reasonably incurred in connection with such Officer's service as an officer of the Company.

7. Limitation of Liability; Indemnification; Duties.

(a) To the fullest extent permitted by law, none of (i) the Member (in its capacity as Member), (ii) the affiliates, agents, officers, partners, employees, representatives, directors, members or shareholders of the Member or the Company and (iii) each former officer, director, employee, or member (collectively, the "Indemnitees") acting in accordance with this Agreement shall be liable, responsible, or accountable, in damages or otherwise, to the Company or the Member thereof for doing any act or failing to do any act, whether before, on or after the date hereof, the effect of which may cause or result in loss or damage to the Company or the Member unless such action or failure to act constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing.

(b) The Company shall defend, indemnify and hold harmless any Indemnitee to the greatest extent permitted by law against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, proceedings, costs, expenses and disbursements of any kind or nature whatsoever, and all costs of investigation in connection therewith, as a result of any claim, threatened action or legal proceeding by any person (including, without limitation, by or through the Company, any subsidiary and/or the Member), or otherwise imposed upon or incurred by such Indemnitee, relating to the performance or nonperformance of any act concerning the activities of the Company or a subsidiary, whether before, on or after the date hereof, unless the act or failure to act of such Indemnitee constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. The indemnification authorized by this subsection (b) shall include any judgment, award, settlement, the payment of reasonable attorneys' fees and other expense (not limited to taxable costs)

incurred in settling or defending any claims, threatened action or finally adjudicated legal proceeding.

(c) From time to time, as requested by an Indemnatee hereunder, such attorneys' fees and other expenses shall, unless the Member determines that the Indemnatee has failed to meet the standards set forth in subsection (b) (taking into account, among other things, the availability of security for any repayment obligation on the part of the Indemnatee), be advanced by the Company prior to the final disposition of such claims, actions or proceedings upon receipt by the Company of an undertaking, reasonably acceptable to the Member, by or on behalf of such Indemnatee to repay such amounts if it shall be determined that such Indemnatee is not entitled to be indemnified as authorized hereunder.

(d) Any indemnification by the Company provided hereunder shall be satisfied solely out of assets of the Company as an expense of the Company (and the proceeds of any directors and officers insurance).

(e) The provisions of this Section 7 are for the benefit of the Indemnitees and their estate and heirs and shall not be deemed to create any rights for the benefit of any other person.

(f) The provisions of this Section 7 shall survive the termination of this Agreement. Any termination or amendment of this Section 7 shall not adversely affect any right or protection hereunder of any Indemnatee in respect of any act or omission prior to the time of such termination or amendment.

8. Distributions. Each distribution of cash or other property by the Company shall be made 100% to the Member.

9. Dissolution and Winding Up. The Company shall dissolve and its business and affairs shall be wound up upon the written consent of the Member.

Any action required or permitted to be taken at any meeting of the Board or of any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or committee, as the case may be.

(e) Electronic Communications. Members of the Board, or any committee designated by the Board, may participate in meetings of the Board, or any committee, by means

The Secretary shall give, or shall cause to be given, notice of all meetings of the Member, if any, and special meetings of the Board, and shall perform such other duties as may be prescribed by the Board or the President, under whose supervision the Secretary shall serve. The Assistant Secretary, or if there be more than one, the Assistant Secretaries in the order determined by the Board (or if there be no such determination, then in order of their election), shall, in the absence of the Secretary or in the event of the Secretary's inability to act, perform the duties and exercise the powers of the Secretary and shall perform such other duties and have such other powers as the Board may from time to time prescribe.

disbursements in books belonging to the Company and shall deposit all moneys and other valuable effects in the name and to the credit of the Company in such depositories as may be designated by the Board. The Treasurer shall disburse the funds of the Company as may be ordered by the Board, taking proper vouchers for such disbursements, and shall render to the President and to the Board, at its regular meetings or when the Board so requires, an account of all of the Treasurer's transactions and of the financial condition of the Company. (f) Officers as Agents. The Officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Board not inconsistent with this Agreement, are agents of the Company for the purpose of the Company's business and the actions of the Officers taken in accordance with such powers shall bind the Company.

(h) Reimbursement; Compensation. Each Officer shall be reimbursed for any actual costs reasonably incurred in connection with such Officer's service as an officer of the Company.

7. Limitation of Liability; Indemnification; Duties.

(a) To the fullest extent permitted by law, none of (i) the Member (in its capacity as Member), (ii) the affiliates, agents, officers, partners, employees, representatives, directors, members or shareholders of the Member or the Company and (iii) each former officer, director, employee, or member (collectively, the "Indemnitees") acting in accordance with this Agreement shall be liable, responsible, or accountable, in damages or otherwise, to the Company or the Member thereof for doing any act or failing to do any act, whether before, on or after the date hereof, the effect of which may cause or result in loss or damage to the Company or the Member unless such action or failure to act constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing.

(b) The Company shall defend, indemnify and hold harmless any Indemnitee to the greatest extent permitted by law against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, proceedings, costs, expenses and disbursements of any kind or nature whatsoever, and all costs of investigation in connection therewith, as a result of any claim, threatened action or legal proceeding by any person (including, without limitation, by or through the Company, any subsidiary and/or the Member), or otherwise imposed upon or incurred by such Indemnitee, relating to the performance or nonperformance of any act concerning the activities of the Company or a subsidiary, whether before, on or after the date hereof, unless the act or failure to act of such Indemnitee constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. (d) Any indemnification by the Company provided hereunder shall be satisfied solely out of assets of the Company as an expense of the Company (and the proceeds of any directors and officers insurance).

(e) The provisions of this Section 7 are for the benefit of the Indemnitees and their estate and heirs and shall not be deemed to create any rights for the benefit of any other person.

(b) The Company shall defend, indemnify and hold harmless any Indemnitee to the greatest extent permitted by law against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, proceedings, costs, expenses and disbursements of any kind or nature whatsoever, and all costs of investigation in connection therewith, as a result of any claim, threatened action or legal proceeding by any person (including, without limitation, by or through the Company, any subsidiary and/or the Member), or otherwise imposed upon or incurred by such Indemnitee, relating to the performance or nonperformance of any act concerning the activities of the Company or a subsidiary, whether before, on or after the date hereof, unless the act or failure to act of such Indemnitee constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. (h) Reimbursement; Compensation. Each Officer shall be reimbursed for any actual costs reasonably incurred in connection with such Officer's service as an officer of the Company.

7. Limitation of Liability; Indemnification; Duties.

(a) To the fullest extent permitted by law, none of (i) the Member (in its capacity as Member), (ii) the affiliates, agents, officers, partners, employees, representatives, directors, members or shareholders of the Member or the Company and (iii) each former officer, director, employee, or member (collectively, the "Indemnitees") acting in accordance with this Agreement shall be liable, responsible, or accountable, in damages or otherwise, to the Company or the Member thereof for doing any act or failing to do any act, whether before, on or after the date hereof, the effect of which may cause or result in loss or damage to the Company or the Member unless such action or failure to act constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing.

(b) The Company shall defend, indemnify and hold harmless any Indemnitee to the greatest extent permitted by law against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, proceedings, costs, expenses and disbursements of any kind or nature whatsoever, and all costs of investigation in connection therewith, as a result of any claim, threatened action or legal proceeding by any person (including, without limitation, by or through the Company, any subsidiary and/or the Member), or otherwise imposed upon or incurred by such Indemnitee, relating to the performance or nonperformance of any act concerning the activities of the Company or a subsidiary, whether before, on or after the date hereof, unless the act or failure to act of such Indemnitee constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. The indemnification authorized by this subsection (b) shall include any judgment, award, settlement, the payment of reasonable attorneys' fees and other expense (not limited to taxable costs) incurred in settling or defending any claims, threatened action or finally adjudicated legal proceeding.

(c) From time to time, as requested by an Indemnitee hereunder, such attorneys' fees and other expenses shall, unless the Member determines that the Indemnitee has failed to meet the standards set forth in subsection (b) (taking into account, among other things, the availability of security for any repayment obligation on the part of the Indemnitee), be

advanced by the Company prior to the final disposition of such claims, actions or proceedings upon receipt by the Company of an undertaking, reasonably acceptable to the Member, by or on behalf of such Indemnitee to repay such amounts if it shall be determined that such Indemnitee is not entitled to be indemnified as authorized hereunder.

(d) Any indemnification by the Company provided hereunder shall be satisfied solely out of assets of the Company as an expense of the Company (and the proceeds of any directors and officers insurance).

(e) The provisions of this Section 7 are for the benefit of the Indemnitees and their estate and heirs and shall not be deemed to create any rights for the benefit of any other person.

(f) The provisions of this Section 7 shall survive the termination of this Agreement. Any termination or amendment of this Section 7 shall not adversely affect any right or protection hereunder of any Indemnitee in respect of any act or omission prior to the time of such termination or amendment.

9. Dissolution and Winding Up. The Company shall dissolve and its business and affairs shall be wound up upon the written consent of the Member.

(h) Reimbursement; Compensation. Each Officer shall be reimbursed for any actual costs reasonably incurred in connection with such Officer's service as an officer of the Company.

7. Limitation of Liability; Indemnification; Duties.

(a) To the fullest extent permitted by law, none of (i) the Member (in its capacity as Member), (ii) the affiliates, agents, officers, partners, employees, representatives, directors, members or shareholders of the Member or the Company and (iii) each former officer, director, employee, or member (collectively, the "Indemnitees") acting in accordance with this Agreement shall be liable, responsible, or accountable, in damages or otherwise, to the Company or the Member thereof for doing any act or failing to do any act, whether before, on or after the date hereof, the effect of which may cause or result in loss or damage to the Company or the Member unless such action or failure to act constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing.

The Member may determine at any time in its sole and absolute discretion the number of Directors to constitute the Board. The authorized number of Directors may be increased or decreased by the Member at any time in its sole and absolute discretion, upon notice to all Directors. The number of Directors as of the date hereof is three (3). disbursements in books belonging to the Company and shall deposit all moneys and other valuable effects in the name and to the credit of the Company in such depositories as may be designated by the Board. The Treasurer shall disburse the funds of the Company as may be ordered by the Board, taking proper vouchers for such disbursements, and shall render to the President and to the Board, at its regular meetings or when the Board so requires, an account of all of the Treasurer's transactions and of the financial condition of the Company. 7. Limitation of Liability; Indemnification; Duties.

(a) To the fullest extent permitted by law, none of (i) the Member (in its capacity as Member), (ii) the affiliates, agents, officers, partners, employees, representatives, directors, members or shareholders of the Member or the Company and (iii) each former officer, director, employee, or member (collectively, the "Indemnitees") acting in accordance with this Agreement shall be liable, responsible, or accountable, in damages or otherwise, to the Company or the Member thereof for doing any act or failing to do any act, whether before, on or after the date hereof, the effect of which may cause or result in loss or damage to the Company or the Member unless such action or failure to act constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing.

(b) The Company shall defend, indemnify and hold harmless any Indemnitee to the greatest extent permitted by law against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, proceedings, costs, expenses and disbursements of any kind or nature whatsoever, and all costs of investigation in connection therewith, as a result of any claim, threatened action or legal proceeding by any person (including, without limitation, by or through the Company, any subsidiary and/or the Member), or otherwise imposed upon or incurred by such Indemnitee, relating to the performance or nonperformance of any act concerning the activities of the Company or a subsidiary, whether before, on or after the date hereof, unless the act or failure to act of such Indemnitee constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing. THE PLAN MUST INCLUDE ANY PROPOSED AMENDMENTS TO THE ARTICLES OF INCORPORATION OR BYLAWS OF THE APPLICANT OR ANY ENTITY RELATED TO THE APPLICANT THAT WILL CONTROL ANY OF THE PROCEEDS FROM THE PROPOSED TRANSFER

As described in Section (l)(A) of this Application, no cash, property, stock, notes, forgiveness of debt, or other monetary consideration is to be received by the Applicants in exchange for the transfer of operational responsibility for the Facilities to New Operators under the OTA given that the Applicants do not own any of the Facilities’ underlying assets. Additionally, since the Facilities are operating at a loss, there is no business enterprise value for the Facilities.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.
Do not include supervisors who provide no direct nursing care.
Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).
This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.
Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.
Do not include supervisors who provide no direct nursing care.
Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).
This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.
Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.
Do not include supervisors who provide no direct nursing care.
Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).
This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.

Therefore, in most cases, line 620 should be greater than this calculation.

* Include all employees (RN's, LVN's, Nurse Assistants, technicians, specialists and others) providing direct nursing care.

Do not include supervisors who provide no direct nursing care.

Do include supervisors whose duties include some provision of nursing care.

** Total number of people employed can not be less than the number of employees at the beginning of the period, less the number of employees with continuous service for the entire period, plus the number of employees at the end of the period (line 605 - line 630 + line 610).

This calculation is the MINIMUM possible number of people employed during the period. It does not include employees who were hired after the period began and left or were discharged before the period ended.
