There will be a minimum of amount of time required to play, never to exceed three (3) hours, (or the player would return the bonus UNLESS s/he went busted/lost their money), depending on the amount of bonus chips being offered. The range of cash required, the bonus chips given and the playing time requirement will all be pre-designated and posted before the promotion begins in a clear and conspicuous area. A player is only eligible for this promotion once per day. Players will sign a receipt/coupon when they receive their bonus chips. A day starts when the casino opens and concludes when the casino closes. If the casino should be open for a full 24 hours, then a day will be determined as calendar days (midnight to midnight).

In the event that a customer has to leave before the required amount of playing time has been met, that

customer will need to give back the bonus chips, or what ever portion of bonus chips are left in play. Comstock Card Room will never require a customer to owe the money at a future time. The time of play will be tracked by a Comstock Card Room employee.
