

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Anthony Held and Toy Investments, Inc.

This Settlement Agreement is entered into by and between Anthony E. Held, Ph.D., P.E (hereinafter "Held") and Toy Investments, Inc. (including d/b/a Toy Smith), (hereinafter "Toy Investments"), with Held and Toy Investments collectively referred to as the "Parties." Held is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Toy Investments employs ten or more persons and is a person in the course of doing business for purposes of Proposition 65.

1.2 General Allegations

Held alleges that Toy Investments has manufactured, distributed and/or sold in the State of California vinyl bathroom toys/children's items containing di(2ethylhexyl)phthalate ("DEHP"), including, but not limited to, *Toysmith Flippity Bath Time Fun* (#8 85761 01459 6), and children's soft vinyl baseball/sporting toys containing DEHP, including, but not limited to, *Sports Easy Catch Ball & Glove, Item # 2657* (#0 85761 02657 5). DEHP is listed pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§25249.5 *et seq.* ("Proposition 65"), as a chemical known to the State of California to cause birth defects and other reproductive harm. DEHP is referred to herein as the "Listed Chemical."

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as follows: vinyl bathroom toys/children's items and soft vinyl baseball/sporting toys manufactured, imported, distributed and/or sold in California by Toy Investments, which contain the Listed Chemical. All such items shall be referred to herein as the "Products."

1.4 Notices of Violation

On or about May 23, 2008 and October 3, 2008, Held served Toy Investments and various public enforcement agencies with documents entitled "60-Day Notice of Violation" (the "Notices") that provided Toy Investments and such public enforcers with notice that alleged that Toy Investments was in violation of California Health & Safety Code §25249.6 for failing to warn consumers and customers that the Products exposed users in California to the Listed Chemical. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission

Toy Investments denies the material factual and legal allegations contained in Held's Notices and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Toy Investments of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Toy Investments of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Toy Investments. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties of Toy Investments under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean February 15, 2009.

2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION

2.1 Reformulation Commitment

As of the Effective Date, Toy Investments shall only manufacture, or cause to be manufactured, Products for sale in California that are Phthalate Free, as set forth below. For purposes of this Settlement Agreement, "Phthalate Free" Products shall mean Products containing less than or equal to 1,000 parts per million ("ppm") of each of the DEHP, when analyzed pursuant to Environmental Protection Agency ("EPA") testing methodologies 3580A and 8270C.

Toy Investments hereby commits that 50% of the Products that it offers for sale in California after the Effective Date shall be Phthalate Free or otherwise be exempt from the warning requirements as set forth in Section 2.5. Toy Investments further commits that 100% of the Products that it offers for sale in California after April 30, 2009 shall be Phthalate Free.

2.2 Product Warnings

After the Effective Date, Toy Investments shall not sell, ship, or offer to be shipped for sale in California, Products containing the Listed Chemical unless such Products are shipped with the clear and reasonable warnings set out in Section 2.3 and 2.4 or comply with the reformulation requirements of Phthalate Free Products set out in Section 2.1.

Any warning issued for Products pursuant to Section 2.3 and 2.4, below, shall be prominently placed with such conspicuousness as compared with other words, statements,

designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or, for Products shipped directly to an individual in California, before use.

2.3 Warnings For Retail Store Sales

(a) **Product Labeling.** Toy Investments may perform its warning obligation by affixing a warning to the packaging of, labeling to, or, if no label exists, directly on each Product sold in retail outlets in California by Toy Investments or its agents, that states:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

(b) **Point-of-Sale Warnings.** Toy Investments may perform its warning obligations by ensuring that signs are posted at retail outlets in the State of California where the Products are sold. Point-of-sale warnings shall be provided through one or more signs posted in close proximity to the point of display of the Products that states:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

Where more than one Product is sold in proximity to other like items or to those that do not require a warning (e.g., Phthalate Free as defined in Section 2.1), the following statement must be used:¹

¹ For purposes of this Settlement Agreement, "sold in proximity to other like items" shall mean that the Product and another product are offered for sale close enough to each other so that the consumer, under customary conditions of purchase, could not reasonably determine which of the two products is subject to the warning sign.

WARNING: The following products contain DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm:

2.4 Warnings For Mail Order Catalog and Internet Sales.

Toy Investments shall satisfy its warning obligations for Products sold via mail order catalog or the Internet to California residents by providing a warning: (i) in the mail order catalog; or (ii) on the website. Warnings given in the mail order catalog or on the website shall identify the specific Product to which the warning applies as further specified in subsections (a) and (b) below.

(a) Mail Order Catalog Warning. Any warning provided in a mail order catalog must be in the same type size or larger than the Product description text within the catalog. The following warning shall be provided on the same page and in the same location as each display of the Product:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

Where it is impracticable to provide the warning on the same page and in the same location as the display of the Product, Toy Investments may utilize a designated symbol (▲) to cross reference the applicable warning and shall define the term "designated symbol" with the following language on the inside of the front cover of the catalog and on the same page as any order form for the Product(s):

WARNING: Certain products identified with this symbol ▲ and offered for sale in this catalog contain DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

The designated symbol must appear on the same page and in close proximity to the display or description of the Product on such page. On each page where the designated symbol appears, Toy Investments must provide a reference directing the consumer to the warning language and definition of the designated symbol.

If Toy Investments elects to sell one or more Products to consumers via mail order catalog after the Effective Date, then the warnings must be included in all catalogs containing the Products which are distributed in California as of the Effective Date.

(b) **Internet Website Warning.** A warning may be given in conjunction with the sale of the Product to a California consumer via the Internet, provided it appears either: (a) on the same web page on which the Product is displayed; (b) on the same web page as the order form for the Product; (c) on the same page as the price for any Product; or (d) on one or more web pages displayed to a purchaser during the checkout process. The following warning statement shall be used and shall appear in any of the above instances adjacent to or immediately following the display, description, or price of the Product for which it is given in the same type size or larger than the Product description text:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

Alternatively, the designated symbol may appear adjacent to or immediately following the display, description, or price of the Product for which a warning is being given, provided that the

following warning statement also appears elsewhere on the same web page, as follows:

WARNING: Products identified on this page with the following symbol ▲ contain DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

2.5 Exceptions To Warning Requirements

The warning requirements set forth in Sections 2.2 through 2.4 shall not apply to:

- (i) any Products shipped by Toy Investments to its California customers before the Effective Date; or
- (ii) Phthalate Free Products (as defined in Section 2.1).
