

## SETTLEMENT AND RELEASE AGREEMENT

### 1. **INTRODUCTION**

#### 1.1. **Ecological Alliance, LLC and Cudlie Accessories LLC**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Cudlie Accessories LLC ("Cudlie"), on the other hand, with Ecological and Cudlie collectively referred to as the "Parties."

#### 1.2. **General Allegations**

Ecological alleges that Cudlie manufactured and distributed and offered for sale in the State of California hooded towels containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. **Product Description**

The products that are covered by this Settlement Agreement are defined as hooded towels and its packaging that Cudlie has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

#### 1.4. **Notice of Violation**

On January 14, 2019, Ecological served Cudlie, Ross Stores, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Cudlie and such public enforcers with notice that Cudlie was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers

that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Cudlie's compliance with Proposition 65. Cudlie denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Cudlie of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Cudlie of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Cudlie on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Cudlie under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS**

As of the Effective Date, Cudlie shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were supplied to third parties by Cudlie prior to the

Effective Date, or that were received into Cudlie's inventory prior to the Effective Date, shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

### **2.1. Reformulation Standards**

"Reformulated Products" are defined as those Products with disposable packaging containing DEHP in concentrations less than 3 percent (30,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

### **2.2. Warning Language**

Where required, Cudlie shall provide Proposition 65 warnings on the Product's label as follows:

- (a) Cudlie may use either of the following warning statements in full compliance with this Section:

- (1) **WARNING:** The packaging for this product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)
  - (2) **WARNING:** Cancer and Reproductive Harm in Packaging – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

- (b) If Cudlie uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not

printed using the color yellow, the symbol may be printed in black and white.

The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING."

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Cudlie shall have no further obligations pursuant to this Settlement Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Cudlie shall pay a total of \$1,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Cudlie shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Cudlie's attention. Cudlie shall pay Ecological's counsel

\$11,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**5. PAYMENT INFORMATION**

By April 1, 2019, Cudlie shall make a total payment of Twelve Thousand Dollars (\$12,000) for the civil penalties and attorney's fees / costs by check or wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325054144600

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

**6. RELEASE OF ALL CLAIMS**

**6.1. Release of Cudlie, Downstream Customers and Upstream Vendors**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Cudlie, (b) each of Cudlie's downstream distributors, wholesalers, vendors, licensors, licensees, auctioneers, retailers (including, but not limited to Ross Stores, Inc.), franchisees,

dealers, shareholders, cooperative members, customers, owners, purchasers, users, and (c) Cudlie's parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (collectively "Releasees").

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS  
WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT  
TO EXIST IN HIS OR HER FAVOR AT THE TIME OF  
EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM  
OR HER MUST HAVE MATERIALLY AFFECTED HIS OR  
HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

**6.2. Cudlie's Release of Ecological**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
